SUPPLEMENTARY INFORMATION: FTA is seeking comment on proposed guidance, published as Frequently Asked Questions on FTA's website, regarding a new asset disposition option for FTA recipients. This guidance explains changes made to 49 U.S.C. 5334(h)(1) by the National Defense Authorization Act (NDAA) for fiscal year 2022 (Pub. L. 117-81). Specifically, section 6609 of the NDAA added a new disposition option for assets acquired with Federal assistance that are no longer needed for the originally authorized purpose. Under the new provision, FTA may authorize the transfer of property to a local government authority, non-profit organization, or other third-party entity if, among other criteria enumerated in the law, it will be used for transit-oriented development and include affordable housing. The proposed guidance, in the form of FAQs, is available on the agency's public website at: <https://www.transit.dot.gov/funding/funding-finance-resources/notice-proposed-asset-disposition-guidance-and-request-comments>. Based on public comment, FTA may revise the definitions and standards in the FAQ's.

After review and consideration of the comments provided on the proposed guidance, FTA will issue a final version of the guidance and will publish it on FTA's website. In addition, FTA will incorporate this statutory change to other relevant FTA guidance in the future when more comprehensive guidance updates occur, incorporating feedback FTA receives on this document as applicable.
