[Notice-S-2023-01; Docket No. 2023-0002; Sequence No. 7]

Tribal Consultation Meeting
AGENCY: Office of Congressional and Intergovernmental Affairs; General Services Administration, (GSA).

ACTION: Notice of meeting.
SUMMARY: Pursuant to the Presidential Memorandum on Tribal Consultation and Strengthening Nation-to-Nation Relationships, dated January 26, 2021, a notice is hereby given for a Government-to-Government consultation to discuss Tribal interests and concerns surrounding GSA’s support of Tribes. In particular, GSA would like to discuss: a resource that GSA publishes titled “Tribes and Tribal Organizations: Guide to Using GSA Solutions”; a special GSA initiative around Carbon Pollution-Free Electricity Procurement; and a special GSA initiative relating to Electric Vehicles. GSA recognizes that formal consultation with Tribal Nations is essential as GSA takes actions to implement and develop policies that might affect them.
DATES: Monday, April 3, 2023, 1:00–2:50 p.m., Pacific Time.
ADDRESSES: Reservation Economic Summit (RES) 2023 held at 3570 S Las Vegas Blvd., Las Vegas, NV 89109.
FOR FURTHER INFORMATION CONTACT: Gianelle Rivera, Associate Administrator, GSA Office of Congressional and Intergovernmental Affairs, email tribalaffairs@gsa.gov, or phone 202-701-9711. Register for the Consultation and find supporting documentation at <https://www.gsa.gov/resources/native-american-tribes>.
SUPPLEMENTARY INFORMATION:

Background
GSA is consulting with Tribal governments about their interests and concerns surrounding GSA’s support of Tribes with a focus on three agency initiatives.
Tribes and Tribal Organizations—Guide To Using GSA Solutions
“Tribes and Tribal Organizations: Guide to Using GSA Solutions” outlines how Tribes and Tribal organizations are eligible to use GSA solutions in the procurement of goods and services. The guide explains the various authorities that support Tribes’ and Tribal organizations’ use of GSA sources and programs, and identifies resources currently available for use. GSA’s intent in consulting on this document, which is continuously in the process of being

updated, is to invite Tribal feedback to assist GSA in improving the existing guidance to help ensure that it speaks to needs that are unique to Tribes and better supports future Tribal acquisitions.
Implementation of the Indian Energy Purchase Preference at Federal Facilities

As part of its second Tribal National Summit on November 30, 2022, the Biden-Harris administration announced its commitment to ensure that investments in the clean energy economy reach Tribal lands. GSA will lead a pilot focused on Tribal energy production to develop procurement strategies. GSA’s intent in consulting on this topic is to gain important insight directly from Tribes, tribally owned businesses, Tribal utilities, and Tribal entrepreneurs regarding the availability, development, or challenges associated with generating and/or selling carbon pollution-free electricity to the Federal Government in order to inform GSA’s development of the pilot.
Electric Vehicle (EV) Initiative for Tribal Nations

The EV Initiative for Tribal Nations helps to ensure that Tribal Nations and Native communities are part of the EV future of the country. To support this initiative, GSA is seeking input to understand Tribal Nations’ role and needs as GSA, subject to applicable authorities, assists Tribes with purchasing or leasing electric vehicles, mapping the Federal facilities in Indian country to support EV infrastructure deployment, and expanding training for Tribal members on the GSA solutions available.
You can register for the Consultation and find supporting documentation at <https://www.gsa.gov/resources/native-american-tribes>. These documents are intended to help Tribal leaders anticipate discussion items for consultation and consider Tribal interests related to the topics. The official comment period for this consultation will remain open for 30 days after the in-person consultation session takes place. However, our partnership with Tribal leadership will remain ongoing.

Comments can be submitted by email at tribalaffairs@gsa.gov. Please use the subject line "GSA 2023 TRIBAL CONSULTATION COMMENTS SUBMISSION." While registration for the RES 2023 event is not required to participate, we do ask that you register for the consultation through our website or onsite so that we can accurately identify the Tribal representatives present at the meeting.

SUPPLEMENTARY INFORMATION:

A. Purpose

The General Services Administration routinely hires, reassigns, promotes or transfers Federal employees to duty stations in foreign areas (*i.e.*, outside of the United States and its territories and possessions). Civilian employees located in foreign areas are eligible for different compensation authorities compared to employees located in the United States or its territories or possessions. Besides basic pay, certain foreign allowances are often used as recruitment or retention incentives to make foreign service more economically feasible. One type of allowance is called a "living quarters allowance," or "LQA," and allows an agency to reimburse the cost of rental housing as well as utilities (such as electricity, natural gas, and water service). Under this authority (conveyed by the Overseas Differentials and Allowances Act of 1960, Pub. L. 86-707, Sept. 6, 1960, codified at 5 U.S.C. 5923(a)(2)), not all job candidates or overseas employees are necessarily eligible (for example, if Government-provided housing is made available). In addition, for those job candidates eligible, the amount of the benefit varies by rank (*i.e.*, GS grade), presence overseas with or without family, and overall family size. Detailed rules concerning eligibility and other matters are found in the State Department's *Department of State Standardized Regulations*, sections 031.12 and Chapter 130.

To more effectively administer LQA, the General Services Administration

(GSA) has created a new agency form, GSA Form 5039, *Living Quarters Allowance Eligibility Questionnaire*. This form collects basic demographic and housing-related information and also includes questions meant to coordinate housing benefits between the U.S. military and other Federal agencies (for example, if two spouses work for different Federal agencies). Individuals who complete this pre-employment questionnaire are considered job candidates and may be members of the public (if not already Federal civilian employees). The purpose of the data collection from job candidates is to ensure that eligible applicants receive allowance consideration, in the correct amounts based on the position and family size, and ineligible candidates are not erroneously provided with this significant monetary benefit.

Obtaining Copies of Proposals: While the proposed GSA Form 5039 is not included within this article's publication, a copy of form can be obtained through the Regulatory Secretariat Division by calling 202-501-4755 or emailing GSARegSec@gsa.gov.
