## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-97139; File No. SR-CboeEDGX-2023-014]

### Self-Regulatory Organizations; Cboe EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Its Sponsored Participant Rules 11.3(a) and 11.3(b)(2)

March 14, 2023.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on February 28, 2023, Cboe EDGX Exchange, Inc. (the "Exchange" or "EDGX") filed with the Securities and Exchange Commission (the "Commission") the

proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>3</sup> and Rule 19b-4(f)(6) thereunder.<sup>4</sup> The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe EDGX Exchange, Inc. (the "Exchange" or "EDGX") proposes to amend Exchange Rules 11.3(a)-(b), to: (1) define the term "Sponsored Access"; (2) provide that the Sponsored Participant rules of the Exchange apply only to the trading of equities; and (3) to codify that the agreement required by and between the Sponsoring Member and Sponsored Participant must include a provision that any Sponsored Access relationship must follow the requirements of SEC Rule 15c3-5, the Market Access Rule ("MAR").<sup>5</sup> The text of the proposed rule change is provided below and in Exhibit 5.<sup>6</sup>

The text of the proposed rule change is also available on the Exchange's website ([http://markets.cboe.com/us/options/regulation/rule\\_filings/edgx/](http://markets.cboe.com/us/options/regulation/rule_filings/edgx/)), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

<sup>2</sup> 17 CFR 240.19b-4.

*A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

1. Purpose

The purpose of this filing is to amend Exchange Rule 11.3(a)–(b) to: (1) define the term “Sponsored Access”; (2) provide that the Sponsored Participant rules of the Exchange apply only to the trading of equities; and (3) to codify that the agreement required by and between the Sponsoring Member and Sponsored Participant must include a provision that any Sponsored Access relationship must follow the requirements of the MAR.

Sponsored Access Definition

Per current Exchange rules a “Sponsored Participant”<sup>7</sup> may be a Member<sup>8</sup> or non-Member of the Exchange whose direct electronic access to the Exchange is authorized by a Sponsoring Member<sup>9</sup> pursuant to the requirements set forth in Exchange Rule 11.3(b)(1)–(3), “Sponsored Participants”. The Exchange proposes to amend Rule 11.3(a) to include the following definition, “Sponsored Access shall mean an arrangement whereby a Member permits its Sponsored Participants to enter orders into the Exchange’s System that bypass the Member’s trading system and are routed directly to the Exchange, including through a service bureau or other third-party technology provider.” The Exchange notes that the proposed definition of Sponsored Access is identical to that adopted<sup>10</sup> by the

Nasdaq Stock Market, LLC (“Nasdaq”), General 2 in Section 22, Sponsored Participants, of their General Equity and Options Rules.<sup>11</sup> The Exchange believes defining Sponsored Access will provide Sponsoring Members with greater clarity in understanding which types of market access relationships are subject to Exchange Rule 11.3(a)–(b),<sup>12</sup> and what obligations Sponsoring Members and Sponsored Participants must satisfy when establishing a Sponsored Access relationship.

Sponsored Access—Equities Market Only

Additionally, the Exchange seeks to amend Rule 11.3(a) to provide that the application of the Exchange’s Sponsored Participant rule applies only to Sponsored Members of the Exchange’s equities market and does not apply to Options Members<sup>13</sup> of the Exchange’s

Proposed Rule Change Relating to Sponsored Access) (“Sponsored Access shall mean an arrangement whereby a member permits its customers to enter orders into the Exchange’s System that bypass the member’s trading system and are routed directly to the Exchange, including routing through a service bureau or other third party technology provider.”)

<sup>7</sup> See General Equity and Options Rule, General 2: General Provisions, Section 22(a), available at: <https://listingcenter.nasdaq.com/rulebook/Nasdaq/rules>.

<sup>12</sup> Consistent with the proposed definition, such relationships generally include where a broker-dealer allows its customer—such as a hedge fund, mutual fund, bank or insurance company, an Exchange registered market maker, an individual, or another broker-dealer—to use the broker-dealer’s market participant identifier (“MPID”) or other mechanism or mnemonic to enter orders into the Exchange’s System that bypass the Sponsoring Member’s order handling system and are electronically routed directly to the Exchange by the Sponsored Participant, including through a service bureau or other third-party technology provider. For the avoidance of doubt, in a scenario where a Sponsored Participant is also an Exchange Member (e.g., where a Sponsored Member provides market access to an Exchange Member Market Maker), (i) the Sponsored Participant will be subject to all Exchange rules and regulations applicable to *Members* acting in their own capacity, whether the Sponsored Participant accesses the Exchange via their own Membership or via a Sponsored Access arrangement; and (ii) the Sponsoring Member will be responsible for the Sponsored Participant activity just as it would for any other non-Member Sponsored Participant under Rule 11.3(b), including compliance with the MAR requirements and for compliance with the applicable Member-related activity electronically routed to the Exchange via the Sponsored Access arrangement (e.g., the Sponsoring Member would be required to hold appointments and would be subject to applicable requirements as an Exchange Market Maker in the products for which the Sponsored Participant Market Maker is registered and routes orders/quotes via the Sponsored Access arrangement).

<sup>13</sup> The term “Options Members” means a firm, or organization that is registered with the Exchange pursuant to Chapter XVII of these Rules for purposes of participating in options trading on EDGX Options as an “Options Order Entry Firm” or “Options Market-Maker”. See Rule 16.1, definition of “Options Member”.

options market. The Exchange does not currently have any Options Members registered to act as Sponsoring Members for any Sponsored Participants who would electronically trade options and, to date, has not received such a request for an options-based Sponsoring Member-Sponsored Participant relationship. Accordingly, the Exchange believes it appropriate to provide that the Sponsored Access program will apply only to Sponsoring Members providing Sponsored Participants direct electronic access to the Exchange’s equities market (not the Exchange’s options market) and does not believe that making such change will result in unfair discrimination between equity Members and Options Members.

Market Access Rule

The Exchange seeks to codify that the agreement currently required under Exchange Rule 11.3(b)(2), by and between the Sponsoring Member and Sponsored Participant, must include a provision that any Sponsored Access relationship must follow the requirements of the MAR. While Sponsoring Members have existing obligations under the MAR because they are providing market access to their Sponsored Participants, the Exchange believes the proposed amendment will help to reinforce such obligations. Sponsored Participants will now be required to contractually agree with their Sponsoring Members to follow the requirements of the MAR.

The Exchange believes that the proposed addition of 11.3(b)(2)(f) will reinforce to Sponsoring Members that Sponsored Access relationships must comply with the SEC’s MAR, as well as Exchange rules regarding the provision of market access. As noted above, such relationships generally include where a broker-dealer allows its customer to use the broker-dealer’s market participant identifier (“MPID”) or other mechanism or mnemonic to enter orders into the Exchange’s System that bypass the Sponsoring Member’s order handling system and are electronically routed directly to the Exchange by the Sponsored Participant, including through a service bureau or other third-party technology provider.

The Exchange notes further that the proposed addition of 11.3(b)(2)(f) is non-substantive in nature for Sponsoring Members because as broker-dealers providing market access, Sponsoring Members are already required to comply with the MAR, as well as with existing Exchange Rules regarding market access. Indeed, per the Exchange’s current Sponsored Participant rules the Sponsoring

<sup>7</sup> The term “Sponsored Participant” shall mean a person which has entered into a sponsorship arrangement with a Sponsoring Member pursuant to Rule 11.3. See Exchange Rule 1.5(z), definition of “Sponsored Participant”.

<sup>8</sup> The term “Member” shall mean any registered broker or dealer that has been admitted to membership in the Exchange. A Member will have the status of a “member” of the Exchange as that term is defined in Section 3(a)(3) of the Act. Membership may be granted to a sole proprietor, partnership, corporation, limited liability company or other organization which is a registered broker or dealer pursuant to Section 15 of the Act, and which has been approved by the Exchange. See Exchange Rule 1.5(n), definition of “Member”.

<sup>9</sup> The term “Sponsoring Member” shall mean a broker-dealer that has been issued a membership by the Exchange who has been designated by a Sponsored Participant to execute, clear and settle transactions from the System. The Sponsoring Member shall be either (i) a clearing firm with membership in a clearing agency registered with the Commission that maintains facilities through which transactions may be cleared or (ii) a correspondent firm with a clearing arrangement with any such clearing firm. See Exchange Rule 1.5(aa), definition of “Sponsoring Member”.

<sup>10</sup> See Securities and Exchange Act Release No. 34–76449 (November 27, 2015) 80 FR 73011 (November 23, 2015) (SR–NASDAQ–2015–140) (Notice of Filing and Immediate Effectiveness of the

Member is already responsible for all its Sponsored Participant's activity on the Exchange<sup>14</sup> and is required to comply with the Exchange's Certificate of Incorporation, By-Laws, Rules, and procedures.<sup>15</sup> This includes compliance with Rule 2.2, which requires, among other things, compliance with the Act and the regulations thereunder, including the MAR.

The proposed addition of Rule 11.3(b)(2)(f) is potentially substantive in nature to Sponsored Participants in that the proposed amendment adds a requirement to the agreement by and between the Sponsoring Member and Sponsored Participant, requiring the Sponsored Participant to contractually agree to follow the requirements of the MAR. Importantly, as part of their obligation to comply with Exchange Rules and procedures, existing Sponsoring Members will be expected to amend any existing contractual arrangements with their Sponsored Participants to include the new contractual provision proposed by the Exchange.

## 2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>16</sup> Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>17</sup> requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>18</sup> requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

### Defining Sponsored Access

As noted above, the Exchange believes that defining Sponsored Access will provide Sponsoring Members with

greater clarity as to which types of market access relationships<sup>19</sup> are subject to Exchange Rule 11.3(a)–(b)(1)–(3), and what obligations Sponsoring Members and Sponsored Participants must satisfy when establishing a Sponsored Access relationship. As such, the proposed rule change is designed to prevent fraudulent and manipulative acts and practices and serves to promote just and equitable principles of trade.

The proposed change will also help to reduce confusion by codifying a definition for such activity on the Exchange that is consistent with other industry practices currently in place elsewhere. The Exchange further notes that the proposed Sponsored Access definition is reasonable and does not affect investor protection because the proposed change does not present any novel or unique issues, as the proposed Sponsored Access definition has previously been adopted by Nasdaq.<sup>20</sup>

### Sponsored Access—Equities Market Only

Furthermore, the Exchange believes that limiting Exchange Rule 11.3(a)–(b)(1)–(3) to Sponsoring Members providing direct electronic access to Sponsored Participants of the Exchange's equities market will contribute to the protection of investors and the public interest by simplifying the Exchange's rules and making them easier for Members and Options Members to understand, thus bolstering their collective understanding of the Exchange's rules. Moreover, as noted above, the Exchange currently has no Options Members registered as Sponsoring Members and has yet to receive a request from Options Members to establish a Sponsored Access relationship. Accordingly, the Exchange does not believe that this proposed rule change will significantly alter Options Members' relationship with the Exchange or impose upon them any new obligations, and no longer wishes to have its Sponsored Access program apply to its options market.

### Market Access Rule

As noted above, the proposed addition of 11.3(b)(2)(f) will reinforce to Sponsoring Members that Sponsored Access relationships must comply with the SEC's MAR, as well as Exchange Rules regarding the provision of market access. Also, by adding proposed paragraph 11.3(b)(2)(f), Sponsored Participants are now required to contractually agree that their Sponsored

Access to the Exchange must follow the requirements of the MAR.

In this regard, the proposed amendment will help to ensure that by and between the Sponsoring Member and Sponsored Participant that all orders entered onto the Exchange pursuant to a Sponsored Access relationship will follow the requirements of the MAR. As discussed, the Exchange believes the proposed addition of 11.3(b)(2)(f) is non-substantive in nature for Sponsoring Members because as broker-dealers providing market access, Sponsoring Members are already required to comply with the MAR, as well as with existing Exchange Rules regarding market access. The proposed addition of Rule 11.3(b)(2)(f) is potentially substantive in nature to Sponsored Participants in that the proposed amendment adds a new requirement to the relationship by and between the Sponsoring Member and Sponsored Participant, requiring the Sponsored Participant to contractually agree to follow the requirements of the MAR.

Accordingly, the proposed rule change will help to promote just and equitable principles of trade, remove impediments to and perfect the mechanism of a free and open market and national market system, and, in general to protect investors and the public interest.

### B. Self-Regulatory Organization's Statement on Burden on Competition

For the reasons noted below, the Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

### Defining Sponsored Access

The proposed Sponsored Access definition does not impose any burden on intramarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed definition merely seeks to make clear to Sponsoring Members that Sponsored Access is a relationship subject to Exchange Rule 11.3(a)–(b)(1)–(3). Moreover, Sponsored Access is a voluntary arrangement that a Sponsoring Member voluntarily elects to enter with its Sponsoring Participant. A Member is not required to become a Sponsoring Member, and in fact, may decline to enter such a relationship with its customers.

### Sponsored Access—Equities Market Only

Moreover, providing that Exchange Rule 11.3(a)–(b)(1)–(3) will only apply

<sup>14</sup> See Rule 11.3(b)(2)(B)(1)–(2).

<sup>15</sup> See Rule 11.3(b)(2)(C).

<sup>16</sup> 15 U.S.C. 78f(b).

<sup>17</sup> 15 U.S.C. 78f(b)(5).

<sup>18</sup> *Id.*

<sup>19</sup> *Supra* note 12.

<sup>20</sup> *Supra* note 10.

to Sponsoring Members providing direct electronic access to Sponsored Participants to the Exchange's equities market does not unduly burden Options Members because as noted above, the Exchange is historically yet to receive any Sponsored Access registrations from Options Members, and there are currently no Options Members registered as Sponsoring Members.

#### Market Access Rule

Additionally, the Exchange does not believe that the proposed rule change will impose any burden on intermarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. Notably, other exchanges have in place similar rules and documentation requirements applicable to sponsored participants and their sponsoring members.<sup>21</sup> Moreover, the proposed Sponsored Access definition is identical to that adopted by Nasdaq<sup>22</sup> and currently codified in their rulebook.<sup>23</sup>

The proposed rule change to explicitly cite the MAR in Rule 11.3(b)(2)(f) does not impose any burden on intramarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. As noted above, this change is non-substantive as Sponsoring Members are currently responsible for complying with the MAR with respect to their provision of Sponsored Access to Sponsored Participants. While the proposed addition of Rule 11.3(b)(2)(f) is potentially substantive in nature to Sponsored Participants because it requires a Sponsored Participant to contractually agree with its Sponsoring Member to follow the requirements of the MAR, the Exchange notes the proposed contractual requirement also exists in the Nasdaq rulebook<sup>24</sup> and as such, should not raise any new or novel issues for consideration by Sponsored Participants.

#### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect

the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>25</sup> and Rule 19b-4(f)(6)<sup>26</sup> thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)<sup>27</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),<sup>28</sup> the Commission may designate a shorter time of such action is consistent with the protection of investor and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposed rule change may become operative upon filing. The Exchange states that the proposed rule change could immediately benefit market participants by clarifying for Sponsoring Members which relationships are subject to the Exchange's Sponsored Access rules and promoting just and equitable principles of trade. The Exchange also states that the proposed rule change could immediately bolster Sponsoring Members and Options Members collective understanding of the Exchange's Sponsored Participant rules, thereby contributing to the protection of investors and public interest. The Exchange also states the proposed addition of 11.3(b)(2)(f) will reinforce to Sponsoring Members their obligation to comply with MAR. Because the proposed rule change does not raise any novel regulatory issues, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the operative delay and designates the proposal operative upon filing.<sup>29</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such

action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

### IV. Solicitation of Comments
