DEPARTMENT OF THE INTERIOR**Bureau of Ocean Energy Management**

[Docket No. BOEM-2023-0016]

**Notice of Determination of No
Competitive Interest (DNCI) in a
Proposed Research Lease Area on the
Gulf of Maine Outer Continental Shelf
(OCS)**

AGENCY: Bureau of Ocean Energy
Management (BOEM), Interior.

ACTION: Notice of no competitive
interest determination.

SUMMARY: BOEM provides notice of its
determination that competitive interest
does not exist in the area identified in
“Research Lease on the [OCS] in the
Gulf of Maine, Request for Competitive
Interest (RFCI)” published in the
Federal Register on August 19, 2022.
BOEM published that RFCI after
receiving an OCS renewable energy
research lease application from the State
of Maine Governor’s office in October
2021. BOEM received complete
submissions in response to the RFCI
from two qualified entities. Upon
review of the whole record, including
the two responses, BOEM determined
that any interest in the lease area is not
competitive.

DATES: Effective March 20, 2023.

FOR FURTHER INFORMATION CONTACT:

Luke Feinberg, Bureau of Ocean Energy
Management, Office of Renewable
Energy Programs, 45600 Woodland
Road (VAM-OREP), Sterling, Virginia
20166, Luke.Feinberg@boem.gov or
(571) 474-7616.

SUPPLEMENTARY INFORMATION:**Authority**

This DNCI is made pursuant to
subsection 8(p)(3) of the OCS Lands Act
(43 U.S.C. 1337(p)(3)) and its
implementing regulations at 30 CFR
585.239. Subsection 8(p)(3) of the OCS
Lands Act requires that an OCS
renewable energy lease, easement, or
right-of-way (ROW) be issued “on a
competitive basis unless the Secretary
[of the Interior] determines after public
notice of a proposed lease, easement, or
[ROW] that there is no competitive
interest.” The Secretary delegated the
authority to make such determinations
to BOEM.

Determination and Next Steps

This DNCI provides public notice that
BOEM determined competitive interest
does not exist in the proposed research
lease area. This determination does not
guarantee that the State of Maine will
receive a research lease. After

publication of this notice, BOEM may
proceed with the research leasing
process using the procedures described
in 30 CFR 585.239. The next steps in
that process include initiating an
environmental review of potential
impacts from leasing activities
associated with the proposed research
lease, siting the lease within the area
identified in the RFCI, and negotiating
lease terms.

that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission has received a complaint and a submission pursuant to § 210.8(b) of the Commission's Rules of Practice and Procedure filed on behalf of Wangs Alliance Corporation d/b/a WAC Lighting on March 10, 2023. The complaint alleges violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain LED landscape lighting devices, components thereof, and products containing same. The complaint names as respondent: Hinkley Lighting, Inc. of Avon Lake, OH. The complainant requests that the Commission issue a limited exclusion order, cease and desist orders, and impose a bond upon respondent alleged infringing articles during the 60-day Presidential review period pursuant to 19 U.S.C. 1337(j).

Proposed respondents, other interested parties, and members of the public are invited to file comments on any public interest issues raised by the complaint or § 210.8(b) filing. Comments should address whether issuance of the relief specifically requested by the complainant in this investigation would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

(i) explain how the articles potentially subject to the requested remedial orders are used in the United States;

(ii) identify any public health, safety, or welfare concerns in the United States relating to the requested remedial orders;

(iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;

(iv) indicate whether complainant, complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the requested exclusion order and/or a cease and desist order within a commercially reasonable time; and

(v) explain how the requested remedial orders would impact United States consumers.

Written submissions on the public interest must be filed no later than by close of business, eight calendar days after the date of publication of this notice in the **Federal Register**. There will be further opportunities for comment on the public interest after the issuance of any final initial determination in this investigation. Any written submissions on other issues must also be filed by no later than the close of business, eight calendar days after publication of this notice in the **Federal Register**. Complainant may file replies to any written submissions no later than three calendar days after the date on which any initial submissions were due, notwithstanding § 201.14(a) of the Commission's Rules of Practice and Procedure. No other submissions will be accepted, unless requested by the Commission. Any submissions and replies filed in response to this Notice are limited to five (5) pages in length, inclusive of attachments.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above. Submissions should refer to the docket number ("Docket No. 3672) in a prominent place on the cover page and/or the first page. (See Handbook for Electronic Filing Procedures, Electronic Filing Procedures¹). Please note the Secretary's Office will accept only electronic filings during this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>.) No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice. Persons with questions regarding filing should contact the Secretary at EDIS3Help@usitc.gov.

Any person desiring to submit a document to the Commission in confidence must request confidential treatment. All such requests should be directed to the Secretary to the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 201.6. Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. All information, including confidential business information and documents for which confidential treatment is properly sought, submitted to the Commission for purposes of this Investigation may be disclosed to and used: (i) by the Commission, its employees and Offices,

and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel,² solely for cybersecurity purposes. All nonconfidential written submissions will be available for public inspection at the Office of the Secretary and on EDIS.³

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and of §§ 201.10 and 210.8(c) of the Commission's Rules of Practice and Procedure (19 CFR 201.10, 210.8(c)).

By order of the Commission.

Issued: March 14, 2023.

Lisa Barton,

Secretary to the Commission.

BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On March 14, 2023, the Department of Justice lodged a proposed Agreement and Consent Decree Concerning Distribution of Certain Assets Among Claimants ("Consent Decree") with the United States District Court for the Eastern District of New York in a lawsuit entitled *United States v. Gerald Cohen, Lawrence Aviation Industries, Inc. and 125 Acres More or Less*, Civil Action No. CV-06-4818 (JMA)(AYS).

In this action, the United States obtained a judgement for recovery of response costs as provided under Section 107(a) of the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), 42 U.S.C. 9607(a), from Lawrence Aviation Industries, Inc., and Gerald Cohen, related to their historical operations at Lawrence Aviation Industries, Inc., in Port Jefferson, New York ("the Site"). The proposed Consent Decree resolves the United States' remaining claim against Defendant 125 Acres of Land More or Less ("Defendant 125 Acres"), which comprises six parcels of land.

² All contract personnel will sign appropriate nondisclosure agreements.
