Comments in Aid of Analyses of the Terrorism Risk Insurance Program

AGENCY: Departmental Offices, U.S. Department of the Treasury.

ACTION: Request for comments.

SUMMARY: The Terrorism Risk Insurance Act of 2002 (TRIA) created the Terrorism Risk Insurance Program (Program) to address disruptions in the market for terrorism risk insurance, to help ensure the continued availability and affordability of commercial property and casualty insurance for terrorism risk, and to allow for the private markets to stabilize and build insurance capacity to absorb any future losses for terrorism events. The Secretary of the Treasury (Secretary) administers the Program, with the assistance of the Federal Insurance Office (FIO). Treasury requests comments from interested parties regarding some of the issues that FIO will be analyzing in connection with its next report related to the participation of small insurers in the Program, including any competitive challenges such insurers face in the terrorism risk insurance marketplace.
