Pursuant to the EU-U.S. DPF, the EU-U.S. Privacy Shield Framework Principles will be amended as the “EU-U.S. Data Privacy Framework Principles”; and pursuant to the Swiss-U.S. DPF, the Swiss-U.S. Privacy Shield Framework Principles will be amended as the “Swiss-U.S. Data Privacy Framework Principles”. More information on self-certification, including annual re-certification under the Data Privacy Framework program will be made available on the DOC's Data Privacy Framework program website (<https://www.dataprivacyframework.gov/>) once that is launched; however, such information will also be made available, as appropriate, on the DOC's Privacy Shield program website (<https://www.privacyshield.gov/welcome>).

Subsidy Programs Provided by Countries Exporting Softwood Lumber and Softwood Lumber Products to the United States; Request for Comment

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) seeks public comment on any subsidies, including stumpage subsidies, provided by certain countries exporting softwood lumber or softwood lumber products to the United States during the period July 1, 2022, through December 31, 2022.

DATES: Comments must be submitted within 30 days after publication of this notice.

FOR FURTHER INFORMATION CONTACT: Kristen Johnson, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4793.

SUPPLEMENTARY INFORMATION:

Background

Pursuant to section 805 of Title VIII of the Tariff Act of 1930 (the Softwood Lumber Act of 2008), the Secretary of Commerce is mandated to submit to the appropriate Congressional committees a report every 180 days on any subsidy provided by countries exporting softwood lumber or softwood lumber products to the United States, including stumpage subsidies. Commerce submitted its last subsidy report to Congress on December 30, 2022.

Request for Comments

Given the large number of countries that export softwood lumber and softwood lumber products to the United States, we are soliciting public comment only on subsidies provided by countries which had exports accounting for at least one percent of total U.S. imports of softwood lumber by quantity, as classified under Harmonized Tariff Schedule of the United States (HTSUS) codes 4407.1100, 4407.1200, 4407.1300, 4407.1400, and 4407.1900, during the period July 1, 2022, through December 31, 2022. Official U.S. import data, published by the U.S. International Trade Commission's DataWeb, indicate that six countries (Austria, Brazil, Canada, Germany, Romania, and Sweden) exported softwood lumber to the United States during that time period in amounts sufficient to account for at least one percent of U.S. imports

of softwood lumber products. We intend to rely on similar six-month periods to identify the countries subject to future reports on softwood lumber subsidies. For example, we will rely on U.S. imports of softwood lumber and softwood lumber products during the period January 1, 2023, through June 30, 2023, to select the countries subject for the next report.

Under U.S. trade law, a subsidy exists where an authority: (i) provides a financial contribution; (ii) provides any form of income or price support within the meaning of Article XVI of the GATT 1994; or (iii) makes a payment to a funding mechanism to provide a financial contribution to a person, or entrusts or directs a private entity to make a financial contribution, if providing the contribution would normally be vested in the government and the practice does not differ in substance from practices normally followed by governments, and a benefit is thereby conferred.¹

Parties should include in their comments: (1) the country which provided the subsidy; (2) the name of the subsidy program; (3) a brief description (no more than 3–4 sentences) of the subsidy program; and (4) the government body or authority that provided the subsidy.

Submission of Comments

As specified above, to be assured of consideration, comments must be received no later than 30 days after the publication of this notice in the **Federal Register**. All comments must be submitted through the Federal eRulemaking Portal at <https://www.regulations.gov>, Docket No. ITA–2023–002. The materials in the docket will not be edited to remove identifying or contact information, and Commerce cautions against including any information in an electronic submission that the submitter does not want publicly disclosed. Attachments to electronic comments will be accepted in Microsoft Word, Excel, or Adobe PDF formats only.

All comments should be addressed to Ryan Majerus, Deputy Assistant Secretary for Policy and Negotiations, at U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

Dated: March 27, 2023.

Ryan Majerus,

Deputy Assistant Secretary for Policy and Negotiations.

Stainless Steel Sheet and Strip From the People's Republic of China: Final Scope Ruling and Final Affirmative Determination of Circumvention for Exports From the Socialist Republic of Vietnam

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that certain stainless steel sheet and strip (SSSS) of Chinese-origin that has undergone further processing in the Socialist Republic of Vietnam (Vietnam) is merchandise covered by the scope of the antidumping duty (AD) and countervailing duty (CVD) orders on SSSS from the People's Republic of China (China). Additionally, Commerce determines that SSSS that is completed in Vietnam using certain non-subject stainless steel flat-rolled inputs sourced from China, is circumventing the AD/CVD orders on SSSS from China. As a result, SSSS of Chinese-origin that has undergone further processing or completion in Vietnam will be subject to suspension of liquidation effective May 15, 2020.

DATES: Applicable March 30, 2023.

scope of the *Orders*.² Additionally, pursuant to section 781(b) of the Tariff Act of 1930, as amended (the Act), we preliminarily determined that SSSS completed in Vietnam using certain non-subject stainless steel flat-rolled inputs³ of Chinese-origin is circumventing the *Orders*.⁴

From December 5 through 9, 2022, Commerce conducted on-site verifications of the information submitted by the mandatory respondents, POSCO VST Co, Ltd. and POSCO Vietnam Processing Center, Ltd., at these companies' facilities located outside Ho Chi Minh City, Vietnam.⁵ On December 29, 2022, Commerce extended the deadline for the final determinations of these circumvention and scope inquiries to April 4, 2023.⁶
