Type of Review: A revision of a currently approved ICR.

Respondents/Affected Public: State, Local, and Tribal Government.

Abstract: The Higher Education Act of 1965, as amended, (HEA) allows for up to a one hundred percent cancellation of a Federal Perkins Loan and loan forgiveness of a Federal Family Education Loan and Direct Loan program loan if the graduate teaches full-time in an elementary or secondary school serving low-income students.

The Higher Education Act of 1965, as amended, (HEA) allows for up to a one hundred percent cancellation of a Federal Perkins Loan and loan forgiveness of a Federal Family Education Loan and Direct Loan program loan if the graduate teaches full-time in an elementary or secondary school serving low-income students.

The data collected for the development of the Teacher Cancellation Low Income Directory provides web-based access to a list of all elementary and secondary schools, and educational service agencies that serve a total enrollment of more than 30 percent low income students (as defined under Title I, Part A of the Elementary and Secondary Education Act of 1965, as amended). The Directory allows post-secondary institutions to determine whether or not a teacher, who received a Federal Perkins Loan, Direct Loan, or Federal Family Education Loan at their school, is eligible to receive loan cancellation or forgiveness or that a teacher who received a Teacher Education Assistance for College and Higher Education (TEACH) Grant is meeting the service obligation. This revision request updates the collection with an optional school type data element.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The MSEIP is designed to effect long-range improvement in science and engineering education at predominantly minority institutions and to increase the participation of underrepresented ethnic minorities, particularly minority women, into scientific and technological careers, consistent with nondiscrimination requirements contained in Federal civil rights laws.

Priorities: This notice contains two competitive preference priorities. Competitive Preference Priority 1 is from the Secretary's Supplemental Priorities and Definitions for Discretionary Grant Programs, published in the **Federal Register** on December 10, 2021 (86 FR 70612) (Supplemental Priorities). Competitive Preference Priority 2 is from 34 CFR 637.31(c).

Competitive Preference Priorities: For FY 2023 and any subsequent year in which we make awards from the list of unfunded applications from this competition, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i), we award up to an additional 9 points to an applicant that meets Competitive Preference Priority 1, depending on how well the application meets the priority, and an

additional 3 points to an applicant that meets Competitive Preference Priority 2.

These priorities are:

Competitive Preference Priority 1: Increasing Postsecondary Education Access, Affordability, Completion, and Post-Enrollment Success (Up to 9 points).

Projects that are designed to increase postsecondary access, affordability, completion, and success for underserved students by addressing one or more of the following priority areas:

(a) Supporting the development and implementation of high-quality and accessible learning opportunities, including learning opportunities that are accelerated or hybrid online, credit-bearing, work-based, and flexible for working students. (Up to 3 points).

(b) Supporting the development and implementation of evidence-based strategies to promote students' development of knowledge and skills necessary for success in the workforce and civic life. (Up to 3 points).

(c) Providing secondary school students with access to career exploration and advising opportunities to help students make informed decisions about their postsecondary enrollment decisions and to place them on a career path. (Up to 3 points).

Competitive Preference Priority 2: New Potential Grantees (3 points).

Under this priority, we award an additional three points to applicants that have not received MSEIP funding within seven years before the deadline date for submission of applications under this program competition.

Note: Consistent with Federal recordkeeping requirements and Department recordkeeping practices, as well as the Department's Administrative Priorities for Discretionary Grant Programs published in the **Federal Register** on March 9, 2020 (85 FR 13640), rather than require applicants to have never received MSEIP funding, the Department has established a look-back period of seven years.

Note: Applicants may verify their eligibility for Competitive Preference Priority 2 by examining "Grant Recipients" on the MSEIP website: <https://www2.ed.gov/programs/idadesmsi/awards.html>. Only applicants that did not receive new or non-competing continuation awards between FY 2016 and FY 2022 may receive points under this priority.

Definitions: For FY 2023 and any subsequent year in which we make awards from the list of unfunded applications from this competition, the following definitions apply. The definitions of "children or students with disabilities," "disconnected youth," "English learner," "evidence-based," "military- or veteran-connected
