

payment of permitted expenses thereunder.

vi. An employee, contractor, consultant, or vendor of the Applicant would have such a “covered relationship” if he or she were either: (1) a member of the household of an NCUA employee who presently holds a position that would enable him or her to influence a pending or future grant award, or a payment thereunder; or (2) a relative of such an NCUA employee with whom he or she has a close personal relationship. 5 CFR 2635.502(b)(1)(ii).

vii. Applicant must disclose in writing to the NCUA any potential conflict of interest in accordance with applicable Federal awarding agency policy.

viii. Per 2 C.F.R 200.113, Applicant must disclose all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the award.

ix. The Applicant conducts its activities such that no person is excluded from participation in, is denied the benefits of, or is subject to discrimination on the basis of race, color, national origin, sex (including pregnancy, sexual orientation, or gender identity), age, or disability in the distribution of services and/or benefits provided under this grant program. The credit union agrees to provide evidence of its compliance as required by the NCUA. Furthermore, credit unions should ensure compliance with Title VI of the Civil Rights Act of 1964.

x. If a credit union enters into commitments for a project before the grant decision is made, the credit union will be obligated to pay project expenses from its own funds should the grant not be approved; if the grant is approved, the credit union may request payment for expenses incurred as of the publication date of the notice of funding opportunity associated with this funding round.

xi. Requests to reallocate or change approved project(s) and/or request an extension to the deadline must be submitted in writing prior to the original deadline and approved by the NCUA prior to Applicant incurring expenses.

xii. The Applicant is aware that the NCUA will correspond with the credit union regarding this application by email, utilizing the email address provided in this application.

xiii. Applicant hereby acknowledges that the NCUA reserves full discretion to deny payment under this grant in the event the NCUA determines the Applicant is, or previously was, either in breach of any condition or limitation

in the grant guidelines or in breach of the ‘covered relationship’ restriction set forth above.

xiv. Information included in Outcome Summary or Success Stories is considered by the NCUA to be Research Data and is governed by 2 CFR 200.315 and may be made publicly available.

xv. Applicant is aware that any false, fictitious, or fraudulent information or the omission of any material fact may subject Applicant to criminal, civil or administrative penalties for fraud, false statements, false claims, or otherwise. (U.S. Code Title 18, section 1001 and Title 31, sections 3729–3730, and 3801–3812).

xvi. Applicant is aware recipients and subrecipients are prohibited from obligating or expending loan or grant funds to procure or obtain equipment, services, or systems that use covered telecommunications equipment or services as a substantial or essential component of any system or as critical technology as part of any system in accordance with Public Law 115–232, section 889 and 2 CFR 200.216.

xvii. Applicants receiving payment in advance must maintain both written procedures that minimize the time elapsing between the transfer of funds and disbursement by the non-Federal entity, and financial management systems that meet the standards for fund control and accountability.

## NATIONAL SCIENCE FOUNDATION

### Notice of Workshop on Making Data Available for National Spectrum Management

**AGENCY:** Networking and Information Technology Research and Development (NITRD) National Coordination Office (NCO), National Science Foundation (NSF).

**ACTION:** Notice of workshop.

**SUMMARY:** The workshop on Making Data Available for National Spectrum Management will focus on identifying challenges associated with obtaining, disseminating, and using data about spectrum to support policy making, operations, and R&D with applications to spectrum sharing & optimization through improved analysis, modeling & prediction.

**DATES:** May 3–4, 2023.

**ADDRESSES:** The workshop on Making Data Available for National Spectrum Management will take place on May 3 and 4, from 8:30 a.m. to 5 p.m. (MT), at the NIST Boulder Labs in Boulder, CO.

*Instructions:* Due to space limitations, in-person attendance is by invitation only; remote participation will be available via webcast. The agenda, registration link, and webcast information will be available the week of the event at: <https://www.nist.gov/news-events/events/2023/05/wsr-workshop-making-data-available-national-spectrum-management>.

**FOR FURTHER INFORMATION CONTACT:**

Mallory Hinks at (202) 459–9674 or email [wsrd-workshop-2023@nitrd.gov](mailto:wsrd-workshop-2023@nitrd.gov). Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1–800–877–8339 between 8 a.m. and 8 p.m., Eastern time, Monday through Friday.

**SUPPLEMENTARY INFORMATION:**

*Overview.* This notice is issued on behalf of the NITRD Wireless Spectrum Research and Development (WSRD) Interagency Working Group (IWG). Agencies of the WSRD IWG are conducting a workshop focused on the topic of making data available for national spectrum management.

Workshop sessions with invited speakers & panelists will discuss:

- Data requirements for spectrum
- Constraints and policy issues
- Spectrum data collection
- Spectrum data storage and dissemination

*Workshop Objectives.* Identify challenges associated with obtaining, disseminating, and using data about spectrum to support policy making, operations, and R&D with applications to spectrum sharing & optimization through improved analysis, modeling & prediction. Discuss ideas for resolution of these challenges through the action of researchers, industry, agencies, regulators, and/or legislators with potential inputs to R&D agency prioritization and the National Spectrum Strategy.

Submitted by the National Science Foundation in support of the Networking and Information Technology Research and Development (NITRD) National Coordination Office (NCO) on March 27, 2023.
