BILLING CODE 4312-52-P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-683 (Fifth Review)]

Fresh Garlic From China; Scheduling of an Expedited Five-Year Review

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of an expedited review pursuant to the Tariff Act of 1930 (“the Act”) to determine whether revocation of the antidumping duty order on fresh garlic from China would be likely to lead to continuation or

recurrence of material injury within a reasonably foreseeable time.

DATES: January 6, 2023.

FOR FURTHER INFORMATION CONTACT: Charles Cummings (202-708-1666), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission’s TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for this proceeding may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On January 6, 2023, the Commission determined that the domestic interested party group response to its notice of institution (87 FR 59824, October 3, 2022) of the subject five-year review was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting a full review.¹ Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).²

For further information concerning the conduct of this review and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Staff report.—A staff report containing information concerning the subject matter of the review has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for this review on April 12, 2023. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission’s rules.

Written submissions.—As provided in § 207.62(d) of the Commission’s rules,

interested parties that are parties to the review and that have provided individually adequate responses to the notice of institution,³ and any party other than an interested party to the review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before April 20, 2023, and may not contain new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the review by April 20, 2023. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new factual information) on Commerce’s final results is three business days after the issuance of Commerce’s results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission’s rules. The Commission’s *Handbook on Filing Procedures*, available on the Commission’s website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission’s procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination.—The Commission has determined this review is extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission’s rules.

By the order of the Commission.

¹ A record of the Commissioners’ votes, the Commission’s statement on adequacy, and any individual Commissioner’s statements will be available from the Office of the Secretary and at the Commission’s website.

² Chairman David S. Johanson determined that, in light of the time that has transpired since the Commission last conducted a full review of this order, conducting a full review was warranted.

³ The Commission has found the responses submitted on behalf of the Fresh Garlic Producers Association (“FGPA”) and its individual members Christopher Ranch L.L.C., The Garlic Company, and Valley Garlic, Inc., to be individually adequate. Comments from other interested parties will not be accepted (*see* 19 CFR 207.62(d)(2)).

Issued: March 30, 2023.

Lisa Barton,

Secretary to the Commission.

BILLING CODE 7020-02-P

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 731-TA-1588-1590 (Final)]

Certain Preserved Mushrooms From the Netherlands, Poland, and Spain; Supplemental Schedule for the Final Phase of Anti-Dumping Duty Investigations

AGENCY: United States International Trade Commission.

ACTION: Notice.

DATES: March 27, 2023.

FOR FURTHER INFORMATION CONTACT:

Kristina Lara ((202) 205-3386), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for these investigations may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION: Effective September 15, 2022, the Commission established a general schedule for the conduct of the final phase of its antidumping duty investigations on certain preserved mushrooms from France, the Netherlands, Poland, and Spain (87 FR 57717, September 21, 2022), following a preliminary determination by the U.S. Department of Commerce ("Commerce") that imports of certain preserved mushrooms from France were being sold at less than fair value ("LTFV") (87 FR 55997, September 13, 2022). Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on September 21, 2022 (87 FR 57717). The Commission conducted its

hearing on November 17, 2022. All persons who requested the opportunity were permitted to participate.

Commerce issued a final affirmative antidumping duty determination with respect to certain preserved mushrooms from France (87 FR 72963, November 28, 2022). The Commission subsequently issued its final determination that an industry in the United States was materially injured by reason of imports of certain preserved mushrooms from France provided for in subheading 2003.10.01 of the Harmonized Tariff Schedule of the United States ("HTSUS") (88 FR 2971, January 18, 2023).

Commerce issued final affirmative antidumping duty determinations with respect to imports of certain preserved mushrooms from the Netherlands, Poland, and Spain (88 FR 18115, 88 FR 18118, and 88 FR 18120, March 27, 2023). Accordingly, the Commission currently is issuing a supplemental schedule for its antidumping duty investigations on imports of certain preserved mushrooms from the Netherlands, Poland, and Spain.

This supplemental schedule is as follows: the deadline for filing supplemental party comments on Commerce's final antidumping duty determinations is April 7, 2023. Supplemental party comments may address only Commerce's final antidumping duty determinations regarding imports of certain preserved mushrooms from the Netherlands, Poland, and Spain. These supplemental final comments may not contain new factual information and may not exceed five (5) pages in length. The supplemental staff report in the final phase of the current investigations will be placed in the nonpublic record on April 20, and a public version will be issued thereafter.

For further information concerning this proceeding see the Commission's notices cited above and the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as

identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Please note the Secretary's Office will accept only electronic filings during this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>.) No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

Authority: This proceeding is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.21 of the Commission's rules.

By order of the Commission.

Issued: March 30, 2023.

Lisa Barton,

Secretary to the Commission.
