Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of the Disability Innovation Fund (DIF) Program, as provided by the Consolidated Appropriations Act, 2022 (Pub. L. 117-103), is to support innovative (as defined in this notice) activities aimed at increasing competitive integrated employment (CIE) as defined in section 7 of the Rehabilitation Act of 1973 (Rehabilitation Act) (29 U.S.C. 705(5)),¹

¹ This regulatory definition further clarifies the statutory definition of CIE found in the Rehabilitation Act. Competitive integrated employment means work that—

(i) Is performed on a full-time or part-time basis (including self-employment) and for which an individual is compensated at a rate that—

(A) Is not less than the higher of the rate specified in section 6(a)(1) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(a)(1)) or the rate required

for youth and other individuals with disabilities.

For FFY 2023, the Department intends to fund multiple innovative model demonstration projects focused on the creation of systemic approaches to transition services for children and youth with disabilities (as defined in this notice). Ensuring that key agents of change and required partners (as defined in this notice)—State vocational rehabilitation agencies (SVRAs), State educational agencies (SEAs), local educational agencies (LEAs), and federally funded Centers for Independent Living (CILs)—are actively collaborating to support coordinated transition processes is critical to the success of children and youth with disabilities.

Priority: We are establishing this priority for the FFY 2023 grant competition and any subsequent year in which we make awards from the list of unfunded applications from this competition, in accordance with section 437(d)(1) of the General Education Provision Act (GEPA), 20 U.S.C. 1232(d)(1).

Absolute Priority: For FFY 2023 and any subsequent year in which we make awards from the list of unfunded applications from this competition, this is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet the absolute priority.

The priority is:

under the applicable State or local minimum wage law for the place of employment;

(B) Is not less than the customary rate paid by the employer for the same or similar work performed by other employees who are not individuals with disabilities and who are similarly situated in similar occupations by the same employer and who have similar training, experience, and skills; and

(C) In the case of an individual who is self-employed, yields an income that is comparable to the income received by other individuals who are not individuals with disabilities and who are self-employed in similar occupations or on similar tasks and who have similar training, experience, and skills; and

(D) Is eligible for the level of benefits provided to other employees; and

(ii) Is at a location—

(A) Typically found in the community; and

(B) Where the employee with a disability interacts for the purpose of performing the duties of the position with other employees within the particular work unit and the entire work site, and, as appropriate to the work performed, other persons (e.g., customers and vendors), who are not individuals with disabilities (not including supervisory personnel or individuals who are providing services to such employee) to the same extent that employees who are not individuals with disabilities and who are in comparable positions interact with these persons; and

(iii) Presents, as appropriate, opportunities for advancement that are similar to those for other employees who are not individuals with disabilities and who have similar positions. (34 CFR 361.5(c)(9))
