**BILLING CODE 6820-SC-P**

## SURFACE TRANSPORTATION BOARD

[Docket No. EP 526 (Sub-No. 17)]

### Notice of Railroad-Shipper Transportation Advisory Council Vacancies

**AGENCY:** Surface Transportation Board (Board).

**ACTION:** Notice of vacancies on the Railroad-Shipper Transportation Advisory Council (RSTAC) and solicitation of nominations.

**SUMMARY:** The Board hereby gives notice of vacancies on RSTAC for a small railroad representative and a large railroad representative. The Board seeks nominations for candidates to fill these vacancies.

**DATES:** Nominations are due on May 8, 2023.

**ADDRESSES:** Nominations may be submitted via e-filing on the Board's website at [www.stb.gov](http://www.stb.gov). Submissions will be posted to the Board's website under Docket No. EP 526 (Sub-No. 17).

**FOR FURTHER INFORMATION CONTACT:** Gabriel Meyer at (202) 245-0150. If you require an accommodation under the Americans with Disabilities Act, please call (202) 245-0245.

**SUPPLEMENTARY INFORMATION:** The Board, created in 1996 to take over many of the functions previously performed by the Interstate Commerce Commission, exercises broad authority over transportation by rail carriers, including regulation of railroad rates and service (49 U.S.C. 10701-47, 11101-24), the construction, acquisition, operation, and abandonment of rail lines (49 U.S.C. 10901-07), as well as railroad line sales, consolidations, mergers, and common control arrangements (49 U.S.C. 10902, 11323-27).

The ICC Termination Act of 1995 (ICCTA), enacted on December 29, 1995, established RSTAC to advise the Board's Chair; the Secretary of Transportation; the Committee on Commerce, Science, and Transportation of the Senate; and the Committee on Transportation and Infrastructure of the House of Representatives with respect to rail transportation policy issues RSTAC considers significant. RSTAC focuses on issues of importance to small shippers and small railroads, including car

supply, rates, competition, and procedures for addressing claims. ICCTA instructs RSTAC to endeavor to develop private sector mechanisms to prevent, or identify and address, obstacles to the most effective and efficient transportation system practicable. The members of RSTAC also prepare an annual report concerning RSTAC's activities. RSTAC is not subject to the Federal Advisory Committee Act.

RSTAC's 15 appointed members consist of representatives of small and large shippers, and small and large railroads. These members are appointed by the Chair. In addition, members of the Board and the Secretary of Transportation serve as ex officio members. Of the 15 appointed members, nine are voting members and are appointed from senior executive officers of organizations engaged in the railroad and rail shipping industries. At least four of the voting members must be representatives of small shippers as determined by the Chair, and at least four of the voting members must be representatives of Class II or III railroads. The remaining six members to be appointed—three representing Class I railroads and three representing large shipper organizations—serve in a nonvoting, advisory capacity, but may participate in RSTAC deliberations.

Meetings of RSTAC are required by statute to be held at least semi-annually. RSTAC typically holds meetings quarterly at the Board's headquarters in Washington DC, although some meetings are held virtually or in other locations.

The members of RSTAC receive no compensation for their services and are required to provide for the expenses incidental to their service, including travel expenses. Currently, RSTAC members have elected to submit annual dues to pay for RSTAC expenses.

RSTAC members must be citizens of the United States and represent as broadly as practicable the various segments of the railroad and rail shipper industries. They may not be full-time employees of the United States Federal Government. According to revised guidance issued by the Office of Management and Budget, it is permissible for federally registered lobbyists to serve on advisory committees, such as RSTAC, as long as they do so in a representative capacity, rather than an individual capacity. See *Revised Guidance on Appointment of Lobbyists to Fed. Advisory Comms., Bds., & Comm'ns*, 79 FR 47,482 (Aug. 13, 2014). Members of RSTAC are appointed to serve in a representative capacity.

Each RSTAC member is appointed for a term of three years. No member will be eligible to serve in excess of two consecutive terms. However, a member may serve after the expiration of his or her term until a successor has taken office.

Due to the resignation of a small railroad representative and a large railroad representative, the Board is seeking to fill these RSTAC positions. Nominations for candidates to fill the vacancies should be submitted in letter form, identifying the names of the candidates, providing a summary of why the candidates are qualified to serve on RSTAC, and containing representations that the candidates are willing to serve as RSTAC members effective immediately upon appointment. Candidates may nominate themselves. The Chair is committed to having a committee reflecting diverse communities and viewpoints and strongly encourages the nomination of candidates from diverse backgrounds. RSTAC candidate nominations should be filed with the Board by May 8, 2023. Members selected to serve on RSTAC are chosen at the discretion of the Board Chair. Please note that submissions will be posted on the Board's website under Docket No. EP 526 (Sub-No. 17) and can also be obtained by contacting the Office of Public Assistance, Governmental Affairs, and Compliance at [RCPA@stb.gov](mailto:RCPA@stb.gov) or (202) 245-0238.

*Authority:* 49 U.S.C. 1325.

Decided: March 31, 2023.

By the Board, Mai T. Dinh, Director, Office of Proceedings.

**Brendetta Jones,**  
Clearance Clerk.

## SURFACE TRANSPORTATION BOARD

[Docket No. FD 36677]

### Union Pacific Railroad Company— Temporary Trackage Rights Exemption—BNSF Railway Company

Union Pacific Railroad Company (UP), a Class I railroad, has filed a verified notice of exemption under 49 CFR 1180.2(d)(8) for the acquisition of temporary overhead trackage rights over an approximately 51.7-mile rail line of BNSF Railway Company (BNSF) between milepost 579.3 on BNSF's Creek Subdivision near Mill Creek, Okla., and milepost 631.0 on BNSF's Madill Subdivision near Joe Junction, Tex., pursuant to the terms of a written

temporary trackage rights agreement dated December 31, 2022 (Agreement).<sup>1</sup>

UP states that the sole purpose of the temporary trackage rights is to allow UP to move loaded and empty unit ballast trains, which will be used solely for UP maintenance-of-way projects. UP states that the temporary trackage rights will expire on December 31, 2023.

The transaction may be consummated on or after April 20, 2023, the effective date of the exemption (30 days after the verified notice was filed).

As a condition to this exemption, any employees affected by the acquisition of the temporary trackage rights will be protected by the conditions imposed in *Norfolk & Western Railway—Trackage Rights—Burlington Northern, Inc.*, 354 I.C.C. 605 (1978), as modified in *Mendocino Coast Railway—Lease & Operate—California Western Railroad*, 360 I.C.C. 653 (1980), and any employees affected by the discontinuance of those trackage rights will be protected by the conditions set out in *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979).

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than April 13, 2023 (at least seven days before the exemption becomes effective).

All pleadings, referring to Docket No. FD 36677, must be filed with the Surface Transportation Board either via e-filing on the Board's website or in writing addressed to 395 E Street SW, Washington, DC 20423-0001. In addition, a copy of each pleading must be served on UP's representative, Whitney C. Larkin, Union Pacific Railroad Company, 1400 Douglas Street, MS 1580, Omaha, NE 68179.

According to UP, this action is categorically excluded from environmental review under 49 CFR 1105.6(c) and from historic preservation reporting requirements under 49 CFR 1105.8(b).

Board decisions and notices are available at [www.stb.gov](http://www.stb.gov).

Decided: March 30, 2023.

<sup>1</sup> A copy of the Agreement was attached as an exhibit to the verified notice.

By the Board, Scott M. Zimmerman, Acting Director, Office of Proceedings.

**Stefan Rice,**

Clearance Clerk.

**BILLING CODE 4915-01-P**

## DEPARTMENT OF TRANSPORTATION

### Federal Aviation Administration

#### Noise Compatibility Program for Lihue Airport, Lihue, Kauai, Hawaii

**AGENCY:** Federal Aviation Administration, Department of Transportation (DOT).

**ACTION:** Notice of acceptance of noise exposure maps.

**SUMMARY:** The Federal Aviation Administration (FAA) announces its determination that the noise exposure maps submitted by the Hawaii Department of Transportation for Lihue Airport are in compliance with applicable statutory and regulatory requirements.

**DATES:** The effective date of the FAA's determination on the noise exposure maps is March 31, 2023.

**FOR FURTHER INFORMATION CONTACT:** Kevin Nishimura, Environmental Protection Specialist, 300 Ala Moana Boulevard, Honolulu, Hawaii 96850, Telephone: 808-312-6038.

**SUPPLEMENTARY INFORMATION:** In accordance with title 49, United States Code (U.S.C.) section 47503 of the Aviation Safety and Noise Abatement Act, an airport operator may submit to the FAA, noise exposure maps (NEMs) depicting non-compatible uses and other information as of the date the map was submitted. 49 U.S.C. 47503 also requires such maps to be developed in consultation with interested and affected parties in the local community, government agencies, and persons using the airport. In accordance with 49 U.S.C. 47504, an airport operator that submits an NEM that the FAA determined complied with statutory and regulatory requirements, may submit for FAA approval, a noise compatibility program (NCP) identifying measures the airport operator has taken or proposes to take to reduce existing non-compatible land uses and prevents the introduction of additional non-compatible uses.

On February 10, 2023, Hawaii Department of Transportation submitted NEMs, descriptions and other supporting documentation for Lihue Airport for FAA's review and acceptance. An NEM must include a description of estimated aircraft
