**FOR FURTHER INFORMATION CONTACT:** Nicole Bouchet by telephone at 202–693–0213, or by email at [DOL\\_PRA\\_PUBLIC@dol.gov](mailto:DOL_PRA_PUBLIC@dol.gov).

**SUPPLEMENTARY INFORMATION:** The Chief Evaluation Office of the U.S. Department of Labor has contracted with Abt Associates and its partners—the Urban Institute, Capital Research Corporation, and the National Association of State Workforce Agencies—to conduct a five-year evaluation to develop strategies to support the evidence requirements for the Reemployment Services and Eligibility Assessment program that were enacted as part of the Bipartisan Budget Act of 2018 (Pub. L. 115–123). This data collection activity a reinstatement of a previously approved and completed data collection effort. The survey has been administered three times in prior years to state workforce agencies and this will be the fourth wave of the survey. Results from earlier waves documented different changes states were undertaking, particularly during different phases of COVID. Because all other data collection activities have been completed, the burden has decreased to reflect the change. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.
