

potential new public housing development or closeout of their public housing program. The HUD-5837 is used by HUD to monitor the federal public housing inventory and PHA's ongoing Annual Contributions Contract (ACC) with HUD after the PHA has zero public housing units in its inventory.

The revision of this collection does two things.

First, it removes the following three forms that from this collection:

- Annual Contributions Contract (ACC) (HUD-53012).

- Declaration of Trust/Declaration of Restrictive Covenants (DOT/DORC) (HUD-52190). This form is included in OMB Collection 2577-0275.

- Capital Fund Program (CFP) Amendment to the Annual Contributions Contract (ACC) Office of Public and Indian Housing (HUD-52840-A). This form is being included in its own collection.

Second, it makes formatting, instructional and other changes to the remaining forms to provide clearer direction and to ensure PHAs are fully

complying with all applicable statutory and regulatory requirements.

The name of this collection is being changed to reflect the removal of the ACC form and to reference the GDA and Notification of Public Housing Closeout or Future Development form. The previous name of the collection was Public Housing Annual Contributions Contract and Inventory Removal Application.
