

House, within the meaning of Section 17A(b)(3)(F) of the Act.¹⁰

(B) Clearing Agency's Statement on Burden on Competition

ICE Clear Europe does not believe the proposed amendments would have any impact, or impose any burden, on competition not necessary or appropriate in furtherance of the purposes of the Act. Although ICE Clear Europe is increasing certain clearing fees, as set forth herein, it believes such changes are appropriate to reflect the costs and expenses incurred by the Clearing House and to support continued investment in its infrastructure to support clearing activities. Further, as discussed above, because fees are imposed on a per transaction basis at the product level, the revised fees would be applied equally to all Clearing Members and other market participants who transact in the IFEU Oil Futures. ICE Clear Europe does not believe that the amendments would adversely affect the ability of such Clearing Members or other market participants generally to access clearing services for the Contracts. Further, since the revised fees will apply to market participants generally, ICE Clear Europe believes that the amendments would not otherwise affect competition among Clearing Members, adversely affect the market for clearing services or limit market participants' choices for obtaining clearing services. Accordingly, ICE Clear Europe does not believe that the amendments would impose any impact or burden on competition that is not appropriate in furtherance of the purpose of the Act.

(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed amendment has not been solicited or received by ICE Clear Europe. ICE Clear Europe will notify the Commission of any comments received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and paragraph (f) of Rule 19b-4¹² thereunder. At any time within 60 days of the filing of the proposed rule

change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
