

violations of Exchange rules and applicable federal securities laws.¹⁵ The Exchange represents that those surveillances are adequate to reasonably monitor Exchange trading of IPO'd securities in all trading sessions and to reasonably deter and detect violations of Exchange rules and federal securities laws applicable to trading on the Exchange, including wrongful efforts to manipulate the prices of those securities in order to bring them in compliance with the \$3.00/share threshold for the listing of options. As such, the Exchange believes that its existing surveillance technologies and procedures, coupled with its findings related to the IPOs reviewed as described herein, would adequately address potential concerns regarding possible manipulation or price stability.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

The Exchange anticipates that the other options exchanges will adopt substantively similar proposals, such that there would be no burden on intermarket competition from the Exchange's proposal. Accordingly, the proposed change is not meant to affect competition among the options exchanges. For these reasons, the Exchange believes that the proposed rule change reflects this competitive environment and does not impose any undue burden on intermarket competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (A) by order approve or disapprove the proposed rule change, or
- (B) institute proceedings to determine whether the proposed rule change should be disapproved.

The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Commission has approved the listing and trading on the Exchange of shares ("Shares") of the Hennessy Stance ESG Large Cap ETF (the "Fund"),³ under NYSE Arca Rule 8.601-E, which governs the listing and trading of Active Proxy Portfolio Shares, which are securities issued by an actively managed open-end investment management company.⁴ Shares of the Fund are currently listed and traded on the Exchange under NYSE Arca Rule

³ See Securities Exchange Act Release No. 96559 (December 21, 2022), 87 FR 79919 (December 28, 2022) (SR-NYSEARCA-2022-84) (Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend Certain Representations) (Renaming the Fund from Stance Equity ESG Large Cap Core ETF to Hennessy Stance ESG Large Cap ETF).

⁴ See Securities Exchange Act Release No. 89185 (June 29, 2020), 85 FR 40328 (July 6, 2020) (SR-NYSEARCA-2019-95) (Approval of a Proposed Rule Change To Adopt NYSE Arca Rule 8.601-E To Permit the Listing and Trading of Active Proxy Portfolio Shares and To List and Trade Shares of the Natixis U.S. Equity Opportunities ETF Under Proposed NYSE Arca Rule 8.601-E). Rule 8.601-E(c)(1) provides that "[t]he term 'Active Proxy Portfolio Share' means a security that (a) is issued by a investment company registered under the Investment Company Act of 1940 ('Investment Company') organized as an open-end management investment company that invests in a portfolio of securities selected by the Investment Company's investment adviser consistent with the Investment Company's investment objectives and policies; (b) is issued in a specified minimum number of shares, or multiples thereof, in return for a deposit by the purchaser of the Proxy Portfolio and/or cash with a value equal to the next determined net asset value ('NAV'); (c) when aggregated in the same specified minimum number of Active Proxy Portfolio Shares, or multiples thereof, may be redeemed at a holder's request in return for the Proxy Portfolio and/or cash to the holder by the issuer with a value equal to the next determined NAV; and (d) the portfolio holdings for which are disclosed within at least 60 days following the end of every fiscal quarter." Rule 8.601-E(c)(2) provides that "[t]he term 'Actual Portfolio' means the identities and quantities of the securities and other assets held by the Investment Company that shall form the basis for the Investment Company's calculation of NAV at the end of the business day." Rule 8.601-E(c)(3) provides that "[t]he term 'Proxy Portfolio' means a specified portfolio of securities, other financial instruments and/or cash designed to track closely the daily performance of the Actual Portfolio of a series of Active Proxy Portfolio Shares as provided in the exemptive relief pursuant to the Investment Company Act of 1940 applicable to such series."

8.601-E.⁵ The Shares of the Fund are issued by Hennessy Funds Trust (the "Issuer"), a statutory trust organized under the laws of the State of Delaware and registered with the Commission as an open-end management investment company. The Fund's investment adviser is Hennessy Advisors, Inc. (the "Adviser").

The Releases stated that the Fund will invest primarily in exchange-traded equity securities of U.S. large capitalization issuers by investing mainly in companies that meet environmental, social and governance ("ESG") standards, as determined by the Adviser. The Exchange proposes to update the investment strategy employed by the Fund to provide that the Fund may invest in exchange-traded equity securities of U.S. small- and medium-capitalization issuers that meet ESG standards, as determined by the Adviser, while continuing to invest primarily in exchange-traded equity securities of U.S. large-capitalization issuers that meet ESG standards, as determined by the Adviser.⁶

The Adviser believes the change to the Fund's investment strategy (as described herein) is appropriate and consistent with the best interest of the Fund and Fund shareholders. In connection with the change, the Fund's investment objective and principal investment strategies will remain substantially the same. While the Fund will have an increased ability to focus

⁵ The Commission previously approved the listing and trading of the shares of the Fund. See Securities Exchange Act Nos. 91266 (March 5, 2021) 86 FR 13930 (March 11, 2021) (SR-NYSEARCA-2020-104) (Order Approving a Proposed Rule Change, as Modified by Amendment No. 2, To List and Trade Shares of the Stance Equity ESG Large Cap Core ETF Under NYSE Arca Rule 8.601-E) ("Approval Order"); and 90665 (December 15, 2020) 85 FR 83129 (December 21, 2020) (SR-NYSEARCA-2020-104) (Notice of Filing of Proposed Rule Change To List and Trade Shares of the Stance Equity ESG Large Cap Core ETF Under NYSE Arca Rule 8.601-E) ("Notice"). (The Approval Order and the Notice are referred to collectively herein as the "Releases").

⁶ The Fund filed a registration statement on Form N-1A under the Securities Act of 1933 (File No. 033-52154) and the Investment Company Act of 1940 (File No. 811-07168), which became effective on December 23, 2022 (the "Registration Statement"). The Fund's final, definitive prospectus, dated as of December 23, 2022, was filed pursuant to Rule 497(c) of the Securities Act of 1933 on December 28, 2022, and contains the current name and investment strategy of the Fund (the "Final Prospectus"). A supplement to the Final Prospectus containing the new name and revised strategy, as described herein, was filed on February 27, 2023 pursuant to Rule 497(e) of the Securities Act of 1933 (the "Supplement"). The description of the Fund and the Shares contained herein are based on the Registration Statement, the Final Prospectus and the Supplement. The change to the Fund's investment strategy as described herein will be implemented effective as of the close of business on April 27, 2023.

on investing in exchange-traded equity securities of U.S. small- and medium-capitalization issuers that meet ESG standards, the Fund will continue to invest primarily in exchange-traded equity securities of U.S. large-capitalization issuers that meet ESG standards, as determined by the Adviser. The Adviser further believes that this strategy change is not material because (1) the investment objective will remain the same and the principal investment strategies will remain substantially the same; (2) the Fund will continue to primarily invest in equity securities of large-capitalization companies; and (3) the principal investment risks are substantially the same.

As of the close of business on April 27, 2023, the Fund's non-material strategy change will be effected to allow the Fund an increased ability to focus on investing in exchange-traded equity securities of U.S. small- and medium-capitalization issuers that meet ESG standards, while continuing to invest primarily in exchange-traded equity securities of U.S. large-capitalization issuers that meet ESG standards, as determined by the Adviser. Accordingly, as of the close of business on April 27, 2023, the name of the Fund will change from Hennessy Stance ESG Large Cap ETF to Hennessy Stance ESG ETF.

The investment objective of the Fund, which is to seek long-term capital appreciation, will remain unchanged.

Except for the changes noted above, all other representations made in the Releases remain unchanged.⁷ The Fund will comply with all continued listing requirements under Rule 8.601-E, including all other requirements and conditions set forth in the applicable exemptive order.

2. Statutory Basis

The basis under the Act for this proposed rule change is the requirement under Section 6(b)(5)⁸ that an exchange have rules that are designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to, and perfect the mechanism of a free and open market and, in general, to protect investors and the public interest.

The Exchange believes that the proposed rule change is designed to prevent fraudulent and manipulative acts and practices, and is designed to promote just and equitable principles of trade and to protect investors and the

⁷ See *supra* note 5.

⁸ 15 U.S.C. 78f(b)(5).

public interest. Consistent with the representations in the Releases, the Fund will continue to seek its investment objective by investing in exchange-traded securities of issuers that meet ESG standards. As a result of the change to the Fund's investment strategy, the Exchange is proposing to amend certain representations in the Releases regarding the universe of securities in which the Fund may invest and consistent with that change, to rename the Fund.

The Adviser believes the change to the Fund's investment strategy is appropriate and consistent with the best interest of the Fund and Fund shareholders. In connection with the change, the Fund's investment objective and principal investment strategies will remain substantially the same. While the Fund will have an increased ability to focus on investing in exchange-traded equity securities of U.S. small- and medium-capitalization issuers that meet ESG standards, the Fund will continue to invest primarily in exchange-traded equity securities of U.S. large-capitalization issuers that meet ESG standards, as determined by the Adviser. The Adviser further believes that this strategy change is not material because (1) the investment objective will remain the same and the principal investment strategies will remain the same; (2) the Fund will continue to primarily invest in equity securities of large-capitalization companies; and (3) the principal investment risks are substantially the same. The proposed changes to the investment strategy will remain consistent with applicable requirements under the 1940 Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act. The Exchange believes the proposed rule change will not impose a burden on competition and will benefit investors and the marketplace by permitting continued listing and trading of Shares of the Fund following implementation of the changes described above, which changes would not impact the investment objective of the Fund.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰

A proposed rule change filed under Rule 19b-4(f)(6)¹¹ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹² the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest because the proposal does not raise any new or novel issues and doing so will allow the Shares to continue to be listed and traded on the Exchange without interruption in a manner that is consistent with the Commission's prior Approval Order and the applicable requirements under the Investment Company Act of 1940. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.¹³

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings

¹⁰ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires the Exchange to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

under Section 19(b)(2)(B)¹⁴ of the Act to determine whether the proposed rule change should be approved or disapproved.
