SUPPLEMENTARY INFORMATION:

Title: Treatment of Distributions to Foreign Persons Under Sections 367(e)(1) and 367(e)(2).

OMB Number: 1545-1487.

Regulation Project Number: TD 9704.

Abstract: Section 367(e)(1) provides that, to the extent provided in regulations, a domestic corporation must recognize gain on a section 355 distribution of stock or securities to a foreign person. Section 367(e)(2) provides that section 337(a) and (b)(1) does not apply to a section 332 distribution by a domestic corporation to a foreign parent corporation that owns 80 percent of the domestic liquidating corporation (as described in section 337(c)). Section 6038B(a) requires a U.S. person who transfers property to a foreign corporation in an exchange described in sections 332 or 355, among other sections, to furnish to the Secretary of the Treasury certain information with respect to the transfer, as provided in regulations.

The final regulations under section 367(e)(1) require gain recognition only for distributions of the stock or securities of foreign corporations to foreign persons. The final regulations under section 367(e)(2) generally require gain recognition when a domestic corporation liquidates into its foreign parent corporation; the regulations generally do not require gain recognition when a foreign corporation liquidates into its foreign parent corporation.

Document (TD 9704) contains final and temporary regulations relating to the consequences to U.S. and foreign persons for failing to satisfy reporting obligations associated with certain transfers of property to foreign corporations in nonrecognition exchanges. TD 9704 permits transferors to remedy “not willful” failures to file, and “not willful” failures to comply with the terms of, liquidation documents required under section 367(e)(2). In addition, it modifies the reporting obligations under section 6038B associated with transfers that are subject to section 367(e)(2). Further, TD 9704 provides similar rules for certain transfers that are subject to section 367(a). The regulations are necessary to update the rules that apply when a U.S. or foreign person fails to file required documents or statements or satisfy reporting obligations. The regulations affect U.S. and foreign persons that transfer property to foreign corporations in certain non-recognition exchanges.

Current Actions: There are no changes being made to the regulations at this time.

Type of Review: Extension of a currently approved collection.
