General Description of Collection: Respondents must establish and maintain procedures designed to monitor and ensure their compliance with the requirements of the Bank Secrecy Act and the implementing regulations promulgated by the Department of Treasury at 31 CFR chapter X. Respondents must also keep records evidencing that they have provided training for appropriate personnel. There is no change in the method or substance of the collection. The overall increase in burden hours is a result of economic fluctuation. In particular, the total number of respondents has increased while the hours per response remain the same.
