AGENCY: Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that countervailable subsidies are being provided to producers and exporters of phosphate fertilizers from the Russian Federation (Russia). The period of review (POR) is November 30, 2020, through December 31, 2021.

DATES: Applicable May 4, 2023.

FOR FURTHER INFORMATION CONTACT: Shane Subler or William Horn, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-6241 and (202) 482-4868, respectively.

SUPPLEMENTARY INFORMATION:

Background

On June 9, 2022, Commerce published a notice of initiation of an administrative review of the countervailing duty (CVD) order on phosphate fertilizers from Russia.¹ On November 30, 2022, Commerce extended the deadline for the preliminary results of this review until April 28, 2023.²

For a complete description of the events that followed the initiation of this review, *see* the Preliminary Decision Memorandum.³ A list of topics discussed in the Preliminary Decision Memorandum is included as the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx/>.

Scope of the Order

The merchandise covered by the order is phosphate fertilizers. For a complete description of the scope of the order, *see* the Preliminary Decision Memorandum.

Rescission of Administrative Review, in Part

On July 22, 2022, Commerce notified interested parties that we intended to rescind this administrative review with respect to Industrial Group Phosphorite LLC because it did not have reviewable entries of subject merchandise during the POR for which liquidation is suspended.⁴ No parties commented on the notification of intent to rescind the review, in part. Therefore, we determine that there were no reviewable suspended entries of subject merchandise during the POR for Industrial Group Phosphorite LLC. As a result of our finding, we are rescinding this review, in part, pursuant to 19 CFR 351.213(d)(3) with respect to Industrial Group Phosphorite LLC. For additional information regarding this determination, *see* the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution from an authority that gives rise to a benefit to the recipient, and that the subsidy is specific.⁵ For a full description of the methodology underlying our conclusions, *see* the Preliminary Decision Memorandum.

Preliminary Results of Review

As a result of this review, we preliminarily determine the following net countervailable subsidy rate for the period November 30, 2020, through December 31, 2021:

⁴ *See* Memorandum, "Notice of Intent to Rescind Review, In Part," dated July 22, 2022.

⁵ *See* sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

Unless the deadline is extended, we intend to issue the final results of this administrative review, which will include the results of our analysis of the issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Assessment Rate

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily assigned a subsidy rate in the amount shown above for the producer/exporter shown above. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review.

For the company for which this review is rescinded, we will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period November 30, 2020, through December 31, 2021, in accordance with 19 CFR 351.212(c)(1)(i). We intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

For the company remaining in the review, we intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(1) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amount shown for the company (and its cross-owned affiliates) listed above on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most recent company-specific or all others rate applicable to the company.

These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Interested Parties

These preliminary results are issued and published pursuant to sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: April 27, 2023.
