SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on September 8, 2020, based on a complaint filed on behalf of General Electric Company of Boston, Massachusetts (“GE”). 85 FR 55492–93 (Sept. 8, 2020). The complaint alleged violations of section 337 of the Tariff Act of 1930, as supplemented and amended, 19 U.S.C. 1337, based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain variable speed wind turbine generators and components thereof by reason of infringement of one or more of claims 1, 3, 6, 7, 12, 15–16, 21–24, 29, 30, and 33–38 of U.S. Patent No. 6,921,985 (“the ‘985 patent”) and claims 1 and 2 of the U.S. Patent No. 7,629,705 (“the ‘705 patent”). *Id.* at 55493; Order No. 10 (Dec. 2, 2020), *unreviewed by Comm’n* Notice (Dec. 22, 2020). The Commission’s notice of investigation named as respondents Siemens Gamesa Renewable Energy Inc. of Orlando, Florida (“SGRE Inc.”); Siemens Gamesa Renewable Energy A/S of Brande, Denmark (“SGRE A/S”); and Gamesa Electric, S.A.U. of Zamudio, Spain (“Gamesa”) (collectively, “SGRE”). 85 FR 55493. The Office of Unfair Import Investigations is not a party to the investigation. *Id.*

On January 18, 2022, the Commission determined that GE showed a violation of section 337 by SGRE with respect to claims 29, 30, 33–35, and 37 of the ‘985 patent, but did not show a violation with respect to claims 1, 6, and 12 of the ‘985 patent or any claim of the ‘705 patent. 87 FR 3586–87 (Jan. 24, 2022).

The Commission further found that GE showed that SGRE’s full-converter wind turbine products with early versions of software infringe claims 29, 30, 33–35, and 37 of the ‘985 patent, but did not show that SGRE’s full-converter wind turbine products with later versions of software or SGRE’s doubly-fed induction generator wind turbine products infringe those claims. The Commission issued an LEO and three CDOs (the “SGRE Inc. CDO,” the “SGRE A/S CDO,” and “Gamesa CDO”) against the three SGRE entities.

On June 24, 2022, GE filed a petition to rescind the SGRE A/S CDO and the Gamesa CDO. On July 6, 2022, SGRE filed a response indicating that it did not oppose the rescission of the CDOs. On July 26, 2022, the Commission instituted a rescission proceeding, rescinded the SGRE A/S CDO and the Gamesa CDO, and terminated the rescission proceeding. The LEO and SGRE Inc. CDO remained in effect.

On March 30, 2023, GE filed an unopposed petition to rescind the LEO and the SGRE Inc. CDO. SGRE did not respond to the petition.

Having reviewed GE’s unopposed petition seeking to rescind the LEO and SGRE Inc. CDO, and SGRE’s lack of a response to the petition, the Commission finds that the conditions which led to the issuance of the LEO and the SGRE Inc. CDO no longer exist, and therefore, granting the petition to rescind is warranted under section 337(k) (19 U.S.C. 1337(k)). The Commission also finds that the requirements of Commission Rule 210.76(a) (19 CFR 210.76(a)) are satisfied.

Accordingly, the Commission has determined to institute a rescission proceeding and to grant the petition to rescind the LEO and the SGRE Inc. CDO. The Commission Order issued concurrently herewith rescinds the LEO and the SGRE Inc. CDO. The rescission proceeding is terminated.

The Commission vote for this determination took place on May 1, 2023.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: May 1, 2023.

Lisa Barton,

Secretary to the Commission.

Abstract: The purpose of this collection is to gather information necessary to enable the Office of the Pardon Attorney, U.S. Department of Justice to expeditiously administer the provisions of the Executive Order 10467, a proclamation granting pardons to individuals charged or convicted of simple possession of marijuana. The collection will enable individuals to apply for certificates of pardon, restoring political, civil, and other rights by implementing a process to provide certificates of pardon as provided by the order.

Overview of This Information Collection

1. *Type of Information Collection:* Extension of a currently approved collection.

2. *The Title of the Form/Collection:* Application for Certificates of Pardon

for the Offense of Simple Possession of Marijuana.

3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* There is no agency form number for this collection. The applicable component within the Department of Justice is the Office of the Pardon Attorney.

4. *Affected public who will be asked or required to respond, as well as the obligation to respond:*

Affected Public: Individuals or households will be asked to respond to this request. The President issued a proclamation on October 6, 2022, pardoning many persons who had been convicted federally of a simple possession of marijuana offense. If a person wants proof of their pardon, they can submit the Application to verify their eligibility under the proclamation. The obligation to respond is voluntary, and a person who qualified under the proclamation is pardoned regardless if they submit an Application.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* the Office of the Pardon Attorney estimate that a potential pool of at least 20,000 applicants may apply. The application for the certificate is simple, and will not take long to complete, between 10 and 30 minutes. The applicants must also provide proof of their prior convictions or charges, which we estimate would take anywhere between 10 minutes to two hours of effort, including research, phone calls, and conversations with necessary personnel to attain the appropriate documentation.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated public burden associated with this collection is 40,000 hours. It is estimated that respondents will take two hours to complete the certificate.

TOTAL BURDEN HOURS

Activity	Number of respondents	Frequency	Total annual responses	Time per response	Total annual burden (hours)
