appointed by the Secretary of the Interior. Its diverse perspectives are represented in commodity, conservation, and local interests. The RAC provides advice to BLM and, as needed, to U.S. Forest Service resource managers regarding management plans and proposed resource actions on public land in the John Day-Snake area. All meetings are open to the public in their entirety. Information to be distributed to the RAC must be provided to its members prior to the start of each meeting.

Standing agenda items include management of energy and minerals, timber, rangeland and grazing, commercial and dispersed recreation, wildland fire and fuels, and wild horses and burros; review of recommendations regarding proposed actions by the Vale or Prineville BLM Districts and the Wallowa-Whitman, Umatilla, Malheur, Ochoco, and Deschutes National Forests; and any other business that may reasonably come before the RAC. The Designated Federal Officer will attend the meeting, take minutes, and publish the minutes on the RAC web page at *https://www.blm.gov/get-involved/ resource-advisory-council/near-you/ oregon-washington/john-day-rac.*

For sign language interpreter services, assistive listening devices, or other reasonable accommodations, please contact (**FOR FURTHER INFORMATION CONTACT**) 7 business days before the meeting to ensure there is sufficient time to process the request. The Department of the Interior manages accommodation requests on a case-by-case basis.

The public may send written comments to the subcommittee and RAC in response to material presented (see **ADDRESSES**).

Before including your address, phone number, email address, or other personal identifying information in your comments, please be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee we will be able to do so.
