

leader may not solicit, accept or receive a political contribution from a VISTA).

(d) Except for VISTAs who reside in municipalities or political subdivisions designated under 5 CFR part 733, no VISTA may accept or receive a political contribution on behalf of an individual who is a candidate for local partisan political office and who represents a political party.

§ 2556.745 Are VISTAs prohibited from soliciting or discouraging the political participation of certain individuals?

(a) A VISTA may not knowingly solicit or discourage the participation in any political activity of any individual who has an application for any compensation, grant, contract, ruling, license, permit, or certificate pending before AmeriCorps or the VISTA program.

(b) A VISTA may not knowingly solicit or discourage the participation in any political activity of any individual who is the subject of, or a participant in, an ongoing audit, investigation, or enforcement action being carried out by or through AmeriCorps or the VISTA program.

§ 2556.750 What restrictions and prohibitions are VISTAs who campaign for a spouse or family member subject to?

A VISTA who is the spouse or family member of a candidate for partisan political office, candidate for political party office, or candidate for public office in a nonpartisan election is subject to the same restrictions and prohibitions as other VISTAs, as set forth in § 2556.725.

§ 2556.755 May VISTAs participate in lawful demonstrations?

In accordance with the prohibitions set forth in § 2556.710, VISTAs may participate in lawful demonstrations, political rallies, and other political meetings, so long as such participation is in conformance with all of the following:

(a) Occurs only while on authorized leave or while otherwise off duty;

(b) Does not include attempting to represent, or representing, the views of VISTAs or the VISTA program on any public issue;

(c) Could not be reasonably understood by the community as being identified with the VISTA program, the project, or other elements of VISTA service; and

(d) Does not interfere with the discharge of VISTA duties.

§ 2556.760 May a sponsor or subrecipient approve the participation of a VISTA in a demonstration or other political meeting?

(a) No VISTA sponsor or subrecipient may approve a VISTA to be involved in

planning, initiating, participating in, or otherwise aiding or assisting in any demonstration or other political meeting.

(b) If a VISTA sponsor or subrecipient, subsequent to the receipt of any AmeriCorps financial assistance, including the assignment of VISTAs, approves the participation of a VISTA in a demonstration or other political meeting, that VISTA sponsor or subrecipient is subject to procedures related to the suspension or termination of such assistance, as provided in subpart B of this part, §§ 2556.135 through 2556.140.

§ 2556.765 What disciplinary actions are VISTAs subject to for violating restrictions or prohibitions on political activities?

Violations by a VISTA of any of the prohibitions or restrictions set forth in this subpart may warrant termination for cause, in accordance with proceedings set forth at §§ 2556.420, 2556.425, and 2556.430.

§ 2556.770 What are the requirements of VISTA sponsors and subrecipients regarding political activities?

(a) All sponsors and subrecipients are required to:

(1) Understand the restrictions and prohibitions on the political activities of VISTAs, as set forth in this subpart;

(2) Provide training to VISTAs on all applicable restrictions and prohibitions on political activities, as set forth in this subpart, and use training materials that are consistent with these restrictions and prohibitions;

(3) Monitor on a continuing basis the activity of VISTAs for compliance with this subpart; and

(4) Report all violations or questionable situations immediately to the appropriate AmeriCorps Region Office.

(b) Failure of a sponsor to comply with the requirements of this subpart, or a violation of the requirements contained in this subpart by the sponsor or subrecipient, sponsor or subrecipient's covered employees, agents, or VISTAs, may be deemed a material failure to comply with terms or conditions of the VISTA program. In such a case, the sponsor is subject to procedures related to the denial or reduction, or suspension or termination, of such assistance, as provided in §§ 2556.125, 2556.130, and 2556.140.

§ 2556.775 What prohibitions and restrictions on political activity apply to employees of VISTA sponsors and subrecipients?

All employees of VISTA sponsors and subrecipients, whose salaries or other compensation are paid, in whole or in

part, with VISTA funds are subject to all applicable prohibitions and restrictions described in this subpart in the following circumstances:

(a) Whenever they are engaged in an activity that is supported by AmeriCorps or VISTA funds or assistance; and

(b) Whenever they identify themselves as acting in their capacity as an official of a VISTA project that receives AmeriCorps or VISTA funds or assistance, or could reasonably be perceived by others as acting in such a capacity.

§ 2556.780 What prohibitions on lobbying activities apply to VISTA sponsors and subrecipients?

(a) No VISTA sponsor or subrecipient may assign a VISTA to perform service or engage in activities related to influencing the passage or defeat of legislation or proposals by initiative petition.

(b) No VISTA sponsor or subrecipient may use any AmeriCorps financial assistance, such as VISTA funds or the services of a VISTA, for any activity related to influencing the passage or defeat of legislation or proposals by initiative petition.

Fernando Laguarda,
General Counsel.

BILLING CODE 6050–28–P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

50 CFR Part 648

[Docket No. 230316–0077; RTID 0648–XD015]

Fisheries of the Northeastern United States; Atlantic Herring Fishery; 2023 Management Area 3 Possession Limit Adjustment

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; possession limit adjustment.

SUMMARY: NMFS is implementing a 2,000-lb (907.2-kg) possession limit for Atlantic herring for Management Area 3. This is required because NMFS projects that herring catch from Area 3 will reach 98 percent of the Area's sub-annual catch limit before the end of the fishing year. This action is intended to prevent overharvest of herring in Area 3,

which would result in additional catch limit reductions in a subsequent year.

DATES: Effective 00:01 hr local time on May 14, 2023, through December 31, 2023.

FOR FURTHER INFORMATION CONTACT: Maria Fenton, Fishery Management Specialist, (978) 281-9196.

SUPPLEMENTARY INFORMATION: The Regional Administrator of the Greater Atlantic Regional Office monitors herring fishery catch in each Management Area based on vessel and dealer reports, state data, and other available information. Regulations at 50 CFR 648.201(a)(1)(i)(B)(2) require that NMFS implement a 2,000-lb (907.2-kg) possession limit for herring for Area 3 beginning on the date that catch is projected to reach 98 percent of the sub-annual catch limit (ACL) for that area.

Based on vessel trip reports, vessel monitoring system catch reports, dealer reports, and other available information, the Regional Administrator projects that the herring fleet will catch 98 percent of the Area 3 sub-ACL by May 14, 2023. Therefore, effective 00:01 hr local time May 14, 2023, through 24:00 hr local time December 31, 2023, a person may not attempt or do any of the following: Fish for; possess; transfer; purchase; receive; land; or sell more than 2,000 lb (907.2 kg) of herring per trip or more than once per calendar day in or from Area 3.

Vessels that enter port before 00:01 local time on May 14, 2023, may land and sell more than 2,000 lb (907.2 kg) of herring from Area 3 from that trip, provided that catch is landed in accordance with state management measures. Vessels may transit or land in Area 3 with more than 2,000 lb (907.2 kg) of herring on board, provided that: The herring were caught in an area not subject to a 2,000-lb (907.2-kg) limit; all fishing gear is stowed and not available for immediate use; and the vessel is issued a permit appropriate to the amount of herring on board and the area where the herring was harvested.

Also effective 00:01 hr local time, May 14, 2023, through 24:00 hr local time, December 31, federally permitted dealers may not attempt or do any of the following: Purchase; receive; possess; have custody or control of; sell; barter; trade; or transfer more than 2,000 lb (907.2 kg) of herring per trip or calendar day from Area 3, unless it is from a vessel that enters port before 00:01 local

time on May 14, 2023, and catch is landed in accordance with state management measures.

This 2,000-lb (907.2 kg) possession limit bypasses the 40,000-lb (18,143.7-kg) possession limit that is required when NMFS projects that 90 percent of the sub-ACL will be caught. Regulations at § 648.201(a)(1)(i)(B)(1) require NMFS to implement a 40,000-lb (18,143.7-kg) possession limit for herring for Area 3 beginning on the date that catch is projected to reach 90 percent of the herring sub-ACL for that area. Based on vessel trip reports, vessel monitoring system catch reports, dealer reports, and other available information, we estimate that 90 percent of the Area 3 sub-ACL was harvested by May 8, 2023.

However, due to the low 2023 sub-ACLs, the high volume nature of this fishery, and the progress of catch this fishing year, we project that 98 percent of the sub-ACL in Area 3 will be harvested by May 14, 2023. Implementing the 40,000-lb (18,143.7-kg) limit before the 2,000-lb (907.2 kg) limit is impracticable due to the small amount of time between the 90 percent and 98 percent catch projection dates and substantially increases the risk of exceeding the sub-ACL due to the low amount of available catch remaining under the sub-ACL. The limited time for the two different notices is logistically difficult and could result in substantial confusion. The limited time between projected dates and the relatively low available catch could also encourage significantly increased fishing effort if we first implemented the 40,000-lb (18,143.7-kg) limit in Area 3. This increase could require a quicker implementation of the 2,000-lb (907.2 kg) limit than possible. To minimize the chance of a potential sub-ACL overage occurring and to avoid incentivizing potential changes in fishing behavior that could contribute to an overage, NMFS is bypassing the 40,000-lb (18,143.7-kg) possession limit and implementing the 2,000-lb (907.2-kg) possession limit in Area 3.

The herring fishery began operating under default 2023 fishery specifications on January 1, 2023. On January 13, 2023, we implemented a 2,000-lb (907.2 kg) possession limit for herring in Area 3 because we estimated the fleet had caught 98 percent of the default Area 3 sub-ACL. On March 23, 2023, we published an interim final rule

that replaced the default 2023 herring fishery specifications with updated 2023 specifications. This action also removed the 2,000-lb (907.2 kg) possession limit that was previously implemented in Area 3 because, relative to the updated Area 3 sub-ACL, catch from Area 3 no longer hit the threshold required to implement this possession limit adjustment. This inseason action implements a new 2,000-lb (907.2 kg) possession limit in Area 3 because catch relative to the updated 2023 Area 3 sub-ACL now hits the threshold required to implement this possession limit adjustment.

Classification

This action is required by 50 CFR part 648 and is exempt from review under Executive Order 12866.

NMFS finds good cause pursuant to 5 U.S.C. 553(b)(3)(B) to waive prior notice and the opportunity for public comment because it is unnecessary, contrary to the public interest, and impracticable. Ample prior notice and opportunity for public comment on this action has been provided for the required implementation of this action. The requirement to implement this possession limit was developed by the New England Fishery Management Council using public meetings that invited public comment on the measures when they were developed and considered along with alternatives. Further, the regulations requiring NMFS to implement this possession limit also were subject to public notice and opportunity to comment when they were first adopted in 2021. Herring fishing industry participants monitor catch closely and anticipate potential possession limit adjustments as catch totals approach Area sub-ACLs. The regulation provides NMFS with no discretion and is designed for implementation as quickly as possible to prevent catch from exceeding limits designed to prevent overfishing while allowing the fishery to achieve optimum yield.

Updated 2023 herring fishery specifications were implemented on March 23, 2023. Data indicating that the herring fleet will have landed at least 98 percent of the 2023 sub-ACL allocated to Area 3 only recently became available. High-volume catch and landings in this fishery can increase total catch relative to the sub-ACL

quickly, especially in this fishing year where annual catch limits are unusually low. If implementation of this possession limit adjustment is delayed to solicit prior public comment, the 2023 sub-ACL for Area 3 will likely be exceeded; thereby undermining the conservation objectives of the Herring FMP. If sub-ACLs are exceeded, the

excess must be deducted from a future sub-ACL and would reduce future fishing opportunities. The public expects these actions to occur in a timely way consistent with the FMP's objectives. For the reasons stated above, NMFS also finds good cause to waive the 30-day delayed effectiveness in accordance with 5 U.S.C 553(d)(3).

Authority: 16 U.S.C. 1801 *et seq.*

Dated: May 11, 2023.

Jennifer M. Wallace,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.
