U.S. Advisory Commission on Public Diplomacy; Notice of Meeting

The U.S. Advisory Commission on Public Diplomacy (ACPD) will hold a virtual public meeting on Wednesday, June 14, 2023, from 2:00 p.m. until 3:15 p.m. ET focusing on the "Use of Artificial Intelligence in Public Diplomacy." During the meeting, a distinguished panel of experts will examine the use of AI tools in support of public diplomacy initiatives for a global community of PD practitioners, scholars, and policymakers.

This meeting is open to the public, including the media and members and staff of governmental and non-governmental organizations. To obtain the Zoom conference link and password, please register here: https://statedept.zoomgov.com/webinar/register/WN_4E4sqpmuS-6AOG-UUo7gxw. To request reasonable accommodation, please email ACPD Program Assistant Kristy Zamyary at ZamaryKK@state.gov. Please send any request for reasonable accommodation no later than Monday, May 29, 2023. Requests received after that date will be considered but might not be possible to fulfill.

Since 1948, the ACPD has been charged with appraising activities intended to understand, inform, and influence foreign publics and to increase the understanding of, and support for, these same activities. The ACPD conducts research that provides honest assessments of public diplomacy efforts, and disseminates findings through reports, white papers, and other publications. It also holds public symposiums that generate informed

discussions on public diplomacy issues and events. The Commission reports to the President, Secretary of State, and Congress and is supported by the Office of the Under Secretary of State for Public Diplomacy and Public Affairs.

TENNESSEE VALLEY AUTHORITY

Integrated Resource Plan and Environmental Impact Statement

AGENCY: Tennessee Valley Authority.

ACTION: Notice of intent.

SUMMARY: The Tennessee Valley Authority (TVA) is conducting a study of its energy resources. The Integrated Resource Plan (IRP) is a comprehensive study of how TVA will meet the demand for electricity in its service territory. TVA's most recent IRP was adopted by the TVA Board in 2019. As part of this new study, TVA will prepare a programmatic Environmental Impact Statement (EIS) to assess the impacts associated with the implementation of the next IRP. The EIS analyzes significant environmental impacts to the combined TVA power service area and the Tennessee River watershed (TVA region) that could result from the targeted power supply mix studied in the IRP. TVA will use the EIS process to elicit and prioritize the values and concerns of stakeholders; identify issues, trends, events, and tradeoffs affecting TVA's policies; formulate, evaluate, and compare alternative portfolios of energy resource options; provide opportunities for public review and comment; and ensure that TVA's evaluation of alternative energy resource strategies reflects a full range of stakeholder input. Public comment is invited concerning both the scope of the EIS and environmental issues that
