¹ There are no capital costs or operating and maintenance costs associated with this collection of information.

Third Party Disclosure: Although it is not mandatory under section 1005 of FDAAA that responsible persons notify the sources and recipients of instances

of reportable food, for purposes of the burden estimate we are assuming FDA would exercise its authority and require such notifications in all such instances

for mandatory reporters. This notification burden does not affect voluntary reporters of reportable food events.

TABLE 2—ESTIMATED ANNUAL RECORDKEEPING BURDEN ¹

Activity	Number of recordkeepers	Number of records per recordkeeper	Total annual records	Average burden per recordkeeping	Total hours
Maintenance of reportable food records under section 417(g) of the FD&C Act—mandatory reports.	1,200	1	1,200	0.25 (15 minutes) ...	300
Maintenance of reportable food records under section 417(g) of the FD&C Act—voluntary reports.	4	1	4	0.25 (15 minutes) ...	1
Total					301

¹ There are no capital costs or operating and maintenance costs associated with this collection of information.

Recordkeeping: As noted previously, section 417(g) of the FD&C Act requires that responsible persons maintain records related to reportable foods reports and notifications for a period of 2 years. However, we do not expect that records will always be kept in relation to voluntary reportable food reports.

Based on a review of the information collection since our last request for OMB approval, we have made no adjustments to our burden estimate.
