SUPPLEMENTARY INFORMATION:

Summary of Change in Control

PALNG states that, on March 20, 2023, Sempra LNG Holding, LP (Sempra LNG Holding) (an indirect wholly-owned subsidiary of Sempra Infrastructure Partners, LP (SI Partners) and an upstream owner of PALNG), entered into an equity purchase and sale agreement. Under the terms and conditions of the agreement, KKR Denali Holdco LLC (KKR-Denali)¹ will purchase from Sempra LNG Holding a non-controlling 35.7% equity interest in Sempra PALNG Holdings, LLC (Sempra PALNG Member), with an option to increase its purchased interest up to a non-controlling 69.5% equity interest in Sempra PALNG Member (Transaction). PALNG states that Sempra PALNG Member directly holds 70% of the equity interest in Port Arthur Liquefaction Holdings, LLC (PA Liquefaction Holdings), which directly owns 100% of the equity interest in PALNG.

According to PALNG, following consummation of the Transaction, Sempra LNG Holding will be the controlling 30.5–64.3% equity interest holder in Sempra PALNG Member, and KKR-Denali will be the non-controlling 35.7–69.5% equity interest holder in Sempra PALNG Member with certain non-controlling member protections. PALNG states that Sempra LNG Holding, and indirectly its parent SI Partners, will continue to be the operator of PALNG through Sempra

PALNG Member. PALNG further states that the Transaction is expected to close in the third quarter of 2023.

A chart illustrating the ownership structure of PALNG before and after the Transaction is attached to the Statement as Exhibit A and B, respectively. Additional details can be found in the Statement, posted on the DOE website at: www.energy.gov/sites/default/files/2023-05/Port%20Arthur%20LNG%20LLC%20CIC.pdf.

DOE Evaluation

DOE will review the Statement in accordance with its Procedures for Changes in Control Affecting Applications and Authorizations to Import or Export Natural Gas (CIC Procedures).² Consistent with the CIC Procedures, this notice addresses PALNG's existing authorization to export liquefied natural gas (LNG) to non-free trade agreement (non-FTA) countries, granted in DOE/FE Order No. 4372, as amended.³ If no interested person protests the change in control and DOE takes no action on its own motion, the proposed change in control will be deemed granted 30 days after publication in the **Federal Register**. If one or more protests are submitted, DOE will review any motions to intervene, protests, and answers, and will issue a determination as to whether the proposed change in control has been demonstrated to render the underlying authorizations inconsistent with the public interest.

Public Comment Procedures

Interested persons will be provided 15 days from the date of publication of this notice in the **Federal Register** to move to intervene, protest, and answer PALNG's Statement.⁴ Protests, motions to intervene, notices of intervention, and written comments are invited in response to this notice only as to the change in control described in the Statement. All protests, comments, motions to intervene, or notices of intervention must meet the requirements specified by DOE's regulations in 10 CFR part 590, including the service requirements.

As noted, DOE is only accepting electronic submissions at this time. Please email the filing to fergas@hq.doe.gov. All filings must include a

⁴ Intervention, if granted, would constitute intervention only in the change in control portion of these proceedings, as described herein.

¹ PALNG states that KKR-Denali is a newly formed Delaware limited liability company under the management and control of KKR & Co. Inc., and that DOE/FECM previously reviewed KKR & Co. Inc.'s ownership interest in PALNG without objection (citing DOE Response to Statement of Change in Control, Port Arthur LNG, LLC, *et al.*, Docket Nos. 15–53–LNG, 15–96–LNG, 18–162–LNG, *et al.* (June 29, 2021)).
