

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: Authority: 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.3.

■ 2. Add § 165.T08–0229 to read as follows:

§ 165.T08–0229 Safety Zone; Illinois River from MM 162.7 through 163.3, Peoria, IL

(a) *Location.* The following area is a safety zone: all navigable waters within the Illinois River from MM 162.7 through 163.3.

(b) *Enforcement period.* This section will be subject to enforcement on June 10, 2023, from 8:45 p.m. to 10:15 p.m.

(c) *Regulations.* (1) In accordance with the general safety zone regulations in § 165.23, entry of persons or vessels into this safety zone described in paragraph (a) of this section is prohibited unless authorized by the COTP or a designated representative. A designated representative is a commissioned, warrant, or petty officer of the U.S. Coast Guard (USCG) assigned to units under the operational control of USCG Sector Upper Mississippi River.

(2) To seek permission to enter, contact the COTP or a designated representative via VHF–FM channel 16, or through USCG Sector Upper Mississippi River at 314–269–2332. Persons and vessels permitted to enter the safety zone must comply with all lawful orders or directions issued by the COTP or designated representative.

(d) *Informational broadcasts.* The COTP or a designated representative will inform the public of the effective period for the safety zone as well as any changes in the dates and times of enforcement, as well as reductions in size or scope of the safety zone, through Local Notice to Mariners (LNMs), Broadcast Notices to Mariners (BNMs), and/or Safety Marine Information Broadcast (SMIB) as appropriate.

Dated: May 20, 2023.

A.R. Bender,

Captain, U.S. Coast Guard, Captain of the Port, Sector Upper Mississippi River.

BILLING CODE 9110–04–P

DEPARTMENT OF HOMELAND SECURITY**Coast Guard****33 CFR Part 165**

[Docket Number USCG–2023–0390]

RIN 1625–AA00

Safety Zone; La Quinta and Corpus Christi Shipping Channel, Ingleside, TX

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for all navigable waters of the La Quinta and Corpus Christi Shipping Channel between gated pair lights 11 and 12 to the Sea buoy. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by the rig CHEVRON ANCHOR FPU HULL while it is towed offshore from Kiewit Offshore Services. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Sector Corpus Christi or a designated representative.

DATES: This rule is effective from 11 p.m. on May 27, 2023 through 11 a.m. on May 28, 2023.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2023–0390 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Lieutenant Commander Anthony Garofalo, Sector Corpus Christi Waterways Management Division, U.S. Coast Guard; telephone 361–939–5130, email Anthony.M.Garofalo@uscg.mil.

SUPPLEMENTARY INFORMATION:**I. Table of Abbreviations**

CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. We must establish this safety zone immediately to protect personnel, vessels, and the marine environment from potential hazards created by float-off of a Floating Production Unit from a heavy-lift vessel and lack sufficient time to provide a reasonable comment period and then consider those comments before issuing the rule.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to the public interest because immediate action is needed to respond to the potential safety hazards associated with towing the offshore rig through the La Quinta Channel and Corpus Christi Shipping Channel.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Sector Corpus Christi (COTP) has determined that potential hazards associated with float-off of the rig CHEVRON ANCHOR FPU HULL while it is towed on May 27, 2023 and May 28, 2023 will be a safety concern for anyone within the La Quinta and Corpus Christi Shipping Channel between gated pair lights 11 and 12 to the Sea buoy. The purpose of this rule is to ensure safety of vessels and persons on these navigable waters in the safety zone while the float-off is occurring.

IV. Discussion of the Rule

This rule is effective from 11 p.m. on May 27, 2023 through 11 a.m. on May 28, 2023. The transit will occur at Kiewit Offshore Services adjacent to the La Quinta Channel between gated pair lights 11 and 12 to the Sea buoy. The safety zone is needed to protect personnel, vessels, and the marine

environment from potential hazards created by the rig CHEVRON ANCHOR FPU HULL while it is towed from Kiewit Offshore Services. No vessel or person is permitted to enter the temporary safety zone during the effective period without obtaining permission from the COTP or a designated representative, who may be contacted on Channel 16 VHF-FM (156.8 MHz) or by telephone at 361-939-0450. The Coast Guard will issue Broadcast Notices to Mariners, Local Notices to Mariners, and/or Safety Marine Information Broadcasts as appropriate.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, location, and duration of the safety zone. This safety zone covers a 5 nautical mile area of the La Quinta and Corpus Christi Shipping Channel near Ingleside, TX. The temporary safety zone will be enforced for a period of only 12 hours on May 27, 2023 and May 28, 2023. The rule does not completely restrict the traffic within a waterway and allows mariners to request permission to enter the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the temporary safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal

Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01 and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves establishment of a temporary safety zone for navigable waters of the La Quinta Channel between gated pair lights 11 and 12 to the Sea buoy. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by the rig CHEVRON ANCHOR FPU HULL while it is towed from Kiewit Offshore Services. It is categorically excluded from further review under paragraph L60 Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.3.

■ 2. Add § 165.T08–0390 to read as follows:

§ 165.T08–0390 Safety Zone; La Quinta and Corpus Christi Shipping Channel, Ingleside, TX.

(a) *Location.* The following area is a safety zone: all navigable waters of the La Quinta Channel between gated pair lights 11 and 12 to the Sea buoy. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Sector Corpus Christi (COTP) or a designated representative.

(b) *Enforcement period.* This section will be enforced from 11 p.m. on May 27, 2023 through 11 a.m. on May 28, 2023.

(c) *Regulations.* (1) According to the general regulations in § 165.23 of this part, entry into this temporary safety zone is prohibited unless authorized by the COTP or a designated representative. They may be contacted on Channel 16 VHF–FM (156.8 MHz) or by telephone at 361–939–0450.

(2) If permission is granted, all persons and vessels shall comply with the instructions of the COTP or designated representative.

(d) *Information broadcasts.* The COTP or a designated representative will inform the public of the enforcement times and date for this safety zone through Broadcast Notices to Mariners, Local Notices to Mariners, and/or Safety Marine Information Broadcasts as appropriate.

Dated: May 22, 2023.

J.B. Gunning,

Captain, U.S. Coast Guard, Captain of the Port Sector Corpus Christi.

BILLING CODE 9110–04–P

DEPARTMENT OF COMMERCE

Patent and Trademark Office

37 CFR Part 1

[Docket No. PTO–P–2023–0013]

RIN 0651–AD69

Adoption of Updated WIPO Standard ST.26; Revision to Incorporation by Reference

AGENCY: United States Patent and Trademark Office, Department of Commerce.

ACTION: Final rule.

SUMMARY: The United States Patent and Trademark Office (USPTO or Office) is adopting the recently revised World Intellectual Property Organization (WIPO) Standard ST.26, version 1.6, approved November 25, 2022, for incorporation by reference into its regulations addressing application disclosures containing nucleotide and/or amino acid sequences. The USPTO is also correcting a grammatical oversight in one of its sequence regulations. The USPTO first amended its rules in 2022 to incorporate by reference certain provisions of WIPO Standard ST.26. In addition to simplifying the process for applicants filing in multiple countries, the ST.26 requirement to submit a single sequence listing in eXtensible Mark-up Language (XML) format provides better preservation, accessibility, and sorting of the submitted sequence data for the public. Among other improvements, the new version of ST.26 clarifies requirements, improves descriptions, and corrects editorial mistakes.

DATES: This final rule is effective on July 1, 2023. The incorporation by reference of certain publications listed in this rule is approved by the Director of the Federal Register as of July 1, 2023.

FOR FURTHER INFORMATION CONTACT: Mary C. Till, Senior Legal Advisor, Office of Patent Legal Administration, Office of the Deputy Commissioner for Patents, at Mary.Till@uspto.gov or 571–272–7755; or Ali Salimi, Senior Legal Advisor, Office of Patent Legal Administration, Office of the Deputy Commissioner for Patents, at Ali.Salimi@uspto.gov or 571–272–0909.

SUPPLEMENTARY INFORMATION: The “WIPO Handbook on Intellectual Property Information and Documentation” (formerly the “WIPO Handbook on Industrial Property Information and Documentation”) sets forth standards for the presentation of data in many contexts. One such standard is WIPO Standard ST.26, which is titled “RECOMMENDED

STANDARD FOR THE PRESENTATION OF NUCLEOTIDE AND AMINO ACID SEQUENCE LISTINGS USING XML (EXTENSIBLE MARKUP LANGUAGE).” WIPO Standard ST.26 defines the disclosures of nucleotide and/or amino acid sequences in patent applications that must be presented in a sequence listing in XML format in the manner specified in the standard.

In a rulemaking published May 20, 2022, at 87 FR 30806, the USPTO created new rules 37 CFR 1.831–1.839 that incorporate by reference WIPO Standard ST.26. 37 CFR 1.839(b)(1) specifically identifies the version of WIPO Standard ST.26 that has been incorporated by reference as “version 1.5, approved November 5, 2021.” On November 25, 2022, WIPO adopted a new version (version 1.6) of WIPO Standard ST.26. As a result, the USPTO is updating 37 CFR 1.839(b)(1) to reflect the new version.

WIPO provides free online public access to view copies of its standards. WIPO standards that are incorporated into Federal regulations are available to the public for free viewing on WIPO’s website at https://www.wipo.int/export/sites/www/standards/en/pdf/03-26-01_v1_6.pdf. In addition to the free online availability of this standard on WIPO’s website, WIPO Standard ST.26 is available on the USPTO’s Sequence Listing Resource Center at <https://www.uspto.gov/patents/apply/sequence-listing-resource-center>.

WIPO Standard ST.26 is composed of eight documents, namely, the main body of the standard, a first annex (Annex I) setting forth the controlled vocabulary for use with the main body, a second annex (Annex II) setting forth the Document Type Definition (DTD) for the Sequence Listing, a third annex (Annex III) containing a sequence listing specimen (XML file), a fourth annex (Annex IV) setting forth the character subset from the Unicode Basic Latin Code Table, a fifth annex (Annex V) setting forth additional data exchange requirements for IPOs, a sixth annex (Annex VI) containing a guidance document with illustrated examples, and a seventh annex (Annex VII) setting forth recommendations for the transformation of a sequence listing from WIPO Standard ST.25 format to WIPO Standard ST.26 format, including guidance on how to avoid adding or deleting subject matter.

Revisions to WIPO Standard ST.26 under the newly adopted version affect the main body, Annex I, Annex II, Annex VI, and Annex VII. The changes to the main body serve to clarify requirements, improve descriptions (for example, by better defining the value
