Repatriation of the items in the original Notice of Inventory Completion has not occurred. Following further consultation, seven additional Indian Tribes are determined to be culturally affiliated with the human remains and associated funerary objects listed in this amended notice.

Determinations (as Amended)

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate

Indian Tribes and Native Hawaiian organizations, SAJH has determined that:

- The human remains described in this amended notice represent the physical remains of two individuals of Native American ancestry.
- The two objects described in this amended notice are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.
