SUPPLEMENTARY INFORMATION:

Background

Pacific Whiting Treaty Committees

The Pacific Whiting Act of 2006 (Pacific Whiting Act) (16 U.S.C. 7001-10) implements the Pacific Whiting Treaty. Among other provisions, the Pacific Whiting Act provides for the appointment of the United States representation on the JMC and AP.

The JMC reviews the advice of two scientific bodies and the AP, and recommends to the Parties the coast-wide total allowable catch of Pacific whiting each year. Four individuals represent the United States on the JMC; one official from NOAA, one member of the Pacific Fishery Management Council, one representative of the treaty Indian tribes with treaty fishing rights to Pacific whiting, and one representative from the commercial fishing sector of the whiting fishing industry concerned with the offshore whiting resource. NMFS is soliciting nominations for one representative of the commercial sector (16 U.S.C. 7002 (a)(1)) through this notice.

The AP advises the JMC on bilateral Pacific whiting management issues. Eight individuals represent the United States on the AP, and nominations for six of those individuals (16 U.S.C. 7005) are solicited through this notice. Members appointed to the U.S. sections of the AP and JMC will be reimbursed for necessary travel expenses in accordance with Federal Travel Regulations and sections 5701, 5702, 5704 through 5708, and 5731 of title 5 (16 U.S.C. 7008). NMFS anticipates that two meetings of the JMC and one meeting of the AP will be held annually, and these meetings will be held in the United States or Canada. AP and JMC members will need a valid U.S. passport.

The Pacific Whiting Act also states that while performing their appointed

duties, members “other than officers or employees of the United States Government, shall not be considered to be Federal employees while performing such service, except for purposes of injury compensation or tort claims liability as provided in chapter 81 of title 5 and chapter 171 of title 28.” (16 U.S.C. 7008).

Information on the Pacific Whiting Treaty, including current committee members, can be found at: <https://www.fisheries.noaa.gov/west-coast/laws-and-policies/pacific-hake-whiting-treaty#committees-and-panels>.

Nominations

Nomination packages for appointments should include:

- (1) The name of the applicant or nominee, position they are being nominated for and a description of their interest in Pacific whiting; and
- (2) A statement of background and/or description of how the following qualifications are met.

Advisory Panel Qualifications

AP member nominees must be knowledgeable or experienced in the harvesting, processing, marketing, management, conservation, or research of the offshore Pacific whiting resource; and must not be employees of the United States government.

Joint Management Committee Qualifications

The JMC nominee for the commercial sector must be from the commercial sector of the Pacific whiting fishing industry concerned with the offshore Pacific whiting resource, and must be knowledgeable or experienced concerning the offshore whiting resource.
