II. Contractor Requirements

Under this contract number, the contractor will perform the following: The Contractor shall perform any IRM-related work under this contract in accordance with the IRM policies, standards, and procedures set forth on the Office of Environmental Information policy website. Upon receipt of a work request (*i.e.*, delivery order, task order, or work assignment), the Contractor shall check this listing of directives. The applicable directives for performance of the work request are those in effect on the date of issuance of the work request. The 2100 Series (2100-2199) of the EPA's Directive System contains the majority of the EPA's IRM policies, standards, and procedures.

These contracts involve no subcontractors.

OPP has determined that the contracts described in this document involve work that is being conducted in connection with FIFRA, in that pesticide chemicals will be the subject of certain evaluations to be made under this contract. These evaluations may be used in subsequent regulatory decisions under FIFRA.

Some of this information may be entitled to confidential treatment. The information has been submitted to EPA under FIFRA sections 3, 4, 6, and 7 and under FFDCA sections 408 and 409.

In accordance with the requirements of 40 CFR 2.307(h)(3), the contracts with Industrial Economics, Inc., prohibits use of the information for any purpose not specified in these contracts; prohibits disclosure of the information to a third party without prior written approval from the EPA; and requires that each official and employee of the contractor sign an agreement to protect the information from unauthorized release and to handle it in accordance with the *FIFRA Information Security Manual*. In addition, Industrial Economics, Inc., is required to submit for EPA approval a security plan under which any CBI will be secured and protected against unauthorized release or compromise. No

information will be provided to Industrial Economics, Inc., until the requirements in this document have been fully satisfied. Records of information provided to Industrial Economics, Inc., will be maintained by EPA Contracting Officer's Representatives for these contracts. All information supplied to Industrial Economics, Inc., by EPA for use in connection with these contracts will be returned to EPA when Industrial Economics, Inc., has completed its work.

BILLING CODE 6560-50-P

FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060-XXXX; FR ID 145485]

Information Collection Being Submitted for Review and Approval to Office of Management and Budget

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal Agencies to take this opportunity to comment on the following information collection. Pursuant to the Small Business Paperwork Relief Act of 2002, the FCC seeks specific comment on how it might "further reduce the information collection burden for small business concerns with fewer than 25 employees." The Commission may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written comments and recommendations for the proposed information collection should be submitted on or before July 7, 2023.

ADDRESSES: Comments should be sent to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function. Your comment must be submitted into www.reginfo.gov per the above instructions for it to be considered. In addition to submitting in www.reginfo.gov also send a copy of your comment on the proposed information collection to Nicole Ongele, FCC, via email to PRA@fcc.gov and to Nicole.Ongele@fcc.gov. Include in the comments the OMB control number as shown in the **SUPPLEMENTARY INFORMATION** below.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collection, contact Nicole Ongele at (202) 418-2991. To view a copy of this information collection request (ICR) submitted to OMB: (1) go to the web page <https://www.reginfo.gov/public/do/PRAMain>, (2) look for the section of the web page called “Currently Under Review,” (3) click on the downward-pointing arrow in the “Select Agency” box below the “Currently Under Review” heading, (4) select “Federal Communications Commission” from the list of agencies presented in the “Select Agency” box, (5) click the “Submit” button to the right of the “Select Agency” box, (6) when the list of FCC ICRs currently under review appears, look for the Title of this ICR and then click on the ICR Reference Number. A copy of the FCC submission to OMB will be displayed.

SUPPLEMENTARY INFORMATION: As part of its continuing effort to reduce paperwork burdens, as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501–3520), the FCC invited the general public and other Federal Agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology. Pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107–198, see 44 U.S.C. 3506(c)(4), the FCC seeks specific comment on how

it might “further reduce the information collection burden for small business concerns with fewer than 25 employees.”

OMB Control Number: 3060–XXXX.

Title: Affordable Connectivity Program (ACP) Transparency Data Collection.

Form Number: FCC Form 5651.

Type of Review: New information collection.

Respondents: Business or other for-profit.

Number of Respondents and Responses: 1,755 respondents; 1,755 responses.

Estimated Time per Response: 31 hours.

Frequency of Response: Annual reporting requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in section 904 of Division N, Title IX of the Consolidated Appropriations Act, 2021, Public Law 116–260, 134 Stat. 1182, as amended by the Infrastructure Investment and Jobs Act, Public Law 117–58, section 60502(c), 135 Stat. 429, 1243 (2021) and 47 U.S.C. 1752.

Total Annual Burden: 54,405 hours.

Total Annual Cost: No Cost.

Needs and Uses: On November 15, 2021, the President signed the Infrastructure Investment and Jobs Act, Public Law 117–58, 135 Stat. 429 (2021), which appropriated \$14.2 billion to expand and modify the Emergency Broadband Benefit Program in the form of a new, longer-term broadband affordability program called the Affordable Connectivity Program (ACP). The Affordable Connectivity Program provides qualifying low-income households with a monthly discount of up to \$30 per month (or up to \$75 per month for households on qualifying Tribal Lands) for broadband services, and a one-time \$100 discount on a connected device (tablet, laptop, or desktop computer) from the participating provider with a co-pay of more than \$10 but less than \$50.

The Infrastructure Act also directed the Commission to “issue final rules regarding the annual collection by the Commission of data relating to the price and subscription rates of each internet service offering of a participating provider under the Affordable Connectivity Program . . . to which an eligible household subscribes.” Infrastructure Act, section 60502(c)(1). On November 23, 2022, the Commission adopted a Fourth Report and Order and Further Notice of Proposed Rulemaking, WC Docket No. 21–450, FCC 22–87 (Fourth Report and Order) establishing

the ACP Data Collection to satisfy the statutory collection requirement. The data collection also will allow the Commission to determine the value being provided by the affordable connectivity benefit.

Federal Communications Commission.
