Notice Pursuant to the National Cooperative Research and Production Act of 1993—National Spectrum Consortium

Notice is hereby given that, on April 5, 2023, pursuant to section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), National Spectrum Consortium (“NSC”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of

antitrust plaintiffs to actual damages under specified circumstances. Specifically, Beacon Industries, Inc., Newington, CT; Cogito Innovations, Charlotte Hall, MD; Cognicom, Inc., San Diego, CA; EWA Warrior Services LLC, Huntsville, AL; and NCTA—The internet & Television Association, Washington, DC, have been added as parties to this venture.

Also, Expedition Technology, Inc., Herndon, VA; Janus Communications, Irvine, CA; RAM Laboratories, Inc., San Diego, CA; SFL Scientific LLC, Quincy, MA; Siemens Industry Software, Inc., Wilsonville, OR; University of California San Diego, La Jolla, CA; University of South Carolina, Columbia, SC; and Vectrona LLC, Virginia Beach, VA, have withdrawn as parties to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and NSC intends to file additional written notifications disclosing all changes in membership.

On September 23, 2014, NSC filed its original notification pursuant to section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to section 6(b) of the Act on November 4, 2014 (79 FR 65424).

The last notification was filed with the Department on January 13, 2023. A notice was published in the **Federal Register** pursuant to section 6(b) of the Act on March 17, 2023 (88 FR 16458).
