Abstract: The Taylor Grazing Act of 1934 (43 U.S.C. 315) and the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1701) authorize the Bureau of Land Management (BLM) to administer the livestock grazing program consistent with land use plans, multiple use objectives, sustained yield, environmental values, economic considerations, and other factors. Maintaining accurate records of permittee and lessee qualifications for a grazing permit or lease, base property used in conjunction with public lands, and the actual use made by livestock authorized to graze on the public lands, is an important and integral part of the program administration and grazing management. The regulations at 43 CFR 4110.1 and 43 CFR 4110.2 require application and notice to the BLM to transfer grazing preference and to apply for a permit or lease in conjunction with a preference transfer. The regulations at 43 CFR 4130.1 require existing permittees and lessees to apply to the BLM for changes in their authorized grazing. The regulations at 43 CFR 4130.3–2(d) allow the BLM to require permittees or lessees operating under a grazing permit or lease to submit an actual grazing use report within 15 days after completing their annual grazing use, or as otherwise specified in the permit or lease. The regulations at 43 CFR 4130.6–1 allow BLM to enter into “exchange-of-use” agreements with applicants who own or control lands that are unfenced and intermingled with public lands within an allotment. The BLM requires applicants, permittees, and lessees to submit the required information on Forms 4130–1, 4130–1a, 4130–1b, 4130–3a, 4130–4, and 4130–5. This OMB Control Number is currently scheduled to expire on April 30, 2024. The BLM plans to request that OMB renew this OMB Control Number for an additional three years.

AGENCY: National Indian Gaming Commission.

ACTION: Notice.

SUMMARY: The purpose of this notice is to inform the public of the approval of Leech Lake Band of Ojibwe (Band) Class III gaming ordinance by the Chairman of the National Indian Gaming Commission.

DATES: This notice is applicable June 13, 2023.

FOR FURTHER INFORMATION CONTACT: Dena Wynn, Office of General Counsel at the National Indian Gaming Commission, 202–632–7003, or by facsimile at 202–632–7066 (not toll-free numbers).

SUPPLEMENTARY INFORMATION: The Indian Gaming Regulatory Act (IGRA) 25 U.S.C. 2701 *et seq.*, established the National Indian Gaming Commission (Commission). Section 2710 of IGRA authorizes the Chairman of the Commission to approve Class II and Class III tribal gaming ordinances. Section 2710(d)(2)(B) of IGRA, as implemented by NIGC regulations, 25 CFR 522.8, requires the Chairman to publish, in the **Federal Register**, approved Class III tribal gaming ordinances and the approvals thereof.

IGRA requires all tribal gaming ordinances to contain the same requirements concerning tribes' sole proprietary interest and responsibility for the gaming activity, use of net revenues, annual audits, health and safety, background investigations and licensing of key employees and primary management officials. The Commission, therefore, believes that publication of each ordinance in the **Federal Register** would be redundant and result in unnecessary cost to the Commission.

Every ordinance and approval thereof is posted on the Commission's website (www.nigc.gov) under General Counsel, Gaming Ordinances within five (5) business days of approval.

Re: Leech Lake Band of Ojibwe Amended

Gaming Ordinance

Dear Chairman Jackson:

This letter responds to your request of April 12, 2023 on behalf of the Leech Lake

Band of Ojibwe (Band) for the National Indian Gaming Commission (NIGC) to review and approve amendments to the Band's Gaming Ordinance. The amended Gaming Ordinance was approved by the Reservation Business Committee in Resolution 2023-75 on April 6, 2023.

We understand that these amendments reflect changes in tribal law and ensure consistency with federal and state law as may be required by regulation or the Band's gaming compacts with the State of Minnesota. The amended ordinance appears to be a comprehensive update, with substantive changes made regarding key definitions, authorization of individually owned gaming and charitable gaming, restructuring of the Leech Lake Gaming Regulatory Authority, vendor and facility licensing, and licensing for key employees and primary management officials.

Thank you for bringing this ordinance amendment to our attention. The amended ordinance is approved as it is consistent with the requirements of the Indian Gaming Regulatory Act and NIGC regulations. If you have any questions or require anything further, please contact Logan Takao Cooper at (503) 318-7524 or Logan.Takao-Cooper@nigc.gov.

Sincerely,
