

4. What changes did we make to GRS 5.2, Transitory and Intermediary Records?

We revised this schedule to remove references to source records that have been digitized. These source records are now scheduled by GRS 4.5, item 010 (DAA-GRS-2022-0010-0001).

Additionally, the item descriptions have been revised to remove specific examples of record types covered by each item. The examples will be provided in GRS 5.2 Frequently Asked Questions (FAQs). This is part of a new approach we are taking with the GRS to focus on the criteria that identify records rather than long lists of examples that may not clearly represent the entire coverage of the disposition authority.

5. What changes did we make to GRS 5.4, Facility, Equipment, Vehicle, Property, and Supply Records?

We marked items 071, Facility, space, and equipment inspection, maintenance, and service records—Records tracking completion of custodial and minor repair work, as superseded. These records are now scheduled by GRS 5.2, item 010 (DAA-GRS-2022-0009-0001).

6. How do agencies cite GRS items?

When citing the legal disposition authority for records covered by the GRS in NARA documents, either when transferring records to Federal Records Centers for storage, to NARA for accessioning, or when requesting GRS deviations on record schedules, use the “DAA” number in the “Disposition Authority” column of the table. For example, use “DAA-GRS-2017-0007-0008” rather than “GRS 2.2, item 070.” A GRS Disposition Authority Look-Up Table is available on our website at <https://www.archives.gov/records-mgmt/grs.html>.

7. Do agencies have to take any action to implement these GRS changes?

NARA regulations (36 CFR 1226.12(a)) require agencies to disseminate GRS changes within six months of receipt.

Per 36 CFR 1227.12(a)(1), you must follow GRS dispositions that state they must be followed without exception.

Per 36 CFR 1227.12(a)(3), if you have an existing schedule that differs from a new GRS item that does *not* require being followed without exception, and you wish to continue using your agency-specific authority rather than the GRS authority, you must notify NARA within 120 days of the date of this transmittal. Please send these notifications to GRS_Team@nara.gov.

If you do not have an already existing agency-specific authority but wish to apply a retention period that differs from that specified in the GRS, you must submit a records schedule to NARA for approval via the Electronic Records Archives.

8. How can an agency get copies of the new GRS?

You can download the complete current GRS, in PDF format, from NARA's website at <http://www.archives.gov/records-mgmt/grs.html>.

9. Whom should an agency contact for further information?

Please contact GRS_Team@nara.gov with any questions related to this transmittal.

Colleen J. Shogan,

Archivist of the United States.
