SUPPLEMENTARY INFORMATION: On May 17, 2023, DOT published a RFI in the **Federal Register** seeking public comment on critical issues of importance in drafting a national advanced air mobility (AAM) strategy. (88 FR 31593) The RFI stated that the comment period would close on July 17, 2023. DOT received several requests to extend the comment period. The requestors state that comments to the RFI are due within two weeks of the Federal Aviation Administration’s review of the Civil Aviation Noise Policy, that having two complicated and technical **Federal Register** notices due nearly at the same time, during the middle of summer vacation, creates an undue hardship on the public, and that a more robust response would require an additional 60 days. DOT is granting commenters’ request for an extension of the comment period to the RFI through August 16, 2023.

Issued in Washington, DC, on June 21, 2023.

Carlos Monje,

Under Secretary for Policy, Department of Transportation.
