SUPPLEMENTARY INFORMATION:

Agenda

The Monkfish Research Set-Aside (RSA) Working Group will meet to discuss any additional challenges to the Monkfish RSA program not previously identified. They will also discuss potential solutions to improve the Monkfish RSA program. For each potential solution, identify a concern/challenge that the solution addresses and any pros and cons for the potential solution. These will be further evaluated by working group members.

Other business may be discussed, as necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Thomas A. Nies, Executive Director, at (978) 465–0492, at least 5 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*

Patent and Trademark Office

[Docket No. PTO-C-2023-0009]

Study of the Patent Pro Bono Programs; Request for Comments; Extension of the Comment Period

AGENCY: United States Patent and Trademark Office, U.S. Department of Commerce.

ACTION: Request for comments; extension of the comment period.

SUMMARY: The United States Patent and Trademark Office (USPTO) recently sought public comments on topics related to the study of the patent pro bono programs identified in the Unleashing American Innovators Act of 2022. This study builds on the work the USPTO has conducted for over a decade, and has scaled during the Biden Administration, to bring more people in America into the innovation ecosystem. The USPTO believes that broadening access to the intellectual property system will create more jobs, foster economic prosperity, and promote the development of solutions for societal challenges. In response to stakeholder feedback, the USPTO is extending the comment period until August 11, 2023, to give interested members of the public additional time to submit comments.

DATES: Comments must be received by August 11, 2023.

ADDRESSES: For reasons of Government efficiency, comments must be submitted through the Federal eRulemaking Portal at www.regulations.gov. To submit comments via the portal, enter docket number PTO-C-2023-0009 on the homepage and click "search." The site will provide a search results page listing all documents associated with this docket. Find a reference to this request for comments and click on the "Comment" icon, complete the required fields, and enter or attach your comments. Attachments to electronic comments will be accepted in ADOBE® portable document format (PDF) or MICROSOFT WORD® format. Since comments will be made available for public inspection, information that the submitter does not desire to make public, such as an address or phone
