This notice is in accordance with the Privacy Act requirement that agencies publish their systems of records in the **Federal Register** when there is a revision, change, or addition, or when the agency establishes a new system of records. One of the Postal Service's responses to this new commerce landscape is to enhance Click-n-Ship®, a Postal product that allows customers to print their own shipping labels right from their own computer. **POSTAL SERVICE**

**Notice of Availability of Draft Supplemental Environmental Impact Statement for Next Generation Delivery Vehicles Acquisitions**

Pursuant to the requirements of the National Environmental Policy Act (NEPA) of 1969, the Council on Environmental Quality's regulations implementing NEPA (40 CFR parts 1500-1508), and the Postal Service's regulations for NEPA compliance set forth at 39 CFR part 775, the U.S. Postal Service announces availability of the Draft Supplemental Environmental Impact Statement (SEIS) which analyzes the environmental impacts of a range of alternatives for a modification to the Postal Service's February 23, 2022, Record of Decision (ROD) to purchase, over ten years, 50,000 to 165,000 purpose-built, right-hand drive vehicles—the Next Generation Delivery Vehicle (NGDV)—to replace existing delivery vehicles nationwide that are beyond the end of their service life. A minimum of 10 percent of those vehicles would be battery electric vehicles (BEVs).

As our Preferred Alternative, the Postal Service proposes in this Draft SEIS to modify the current ROD in three primary ways: (1) substantially increase the minimum BEV commitment to 62 percent, (2) reduce the total number of vehicles proposed for purchase at this time to 106,480, purchased over six years, and (3) include a mix of both NGDV and commercial-off-the-shelf (COTS) vehicles. This Draft SEIS also analyzes an NGDV-only Alternative with 62 percent BEV commitment, purchased over eight years, as well as a "No-Action" Alternative, which would proceed with the existing decision under the ROD.

The Postal Service is soliciting comments on the Draft SEIS during a 45-day public comment period. Comments should be received no later than August 14, 2023.

In addition, the Postal Service will also conduct a virtual public hearing on July 26, 2023. Registration information will be made available 15 days prior to the hearing date at the following website: <http://uspsngdveis.com/>.

Interested parties may view the Draft SEIS and the prior NGDV ROD at <http://>
