SUPPLEMENTARY INFORMATION:

Background

On February 18, 2015, Commerce published the antidumping duty and countervailing duty orders on solar products from China.¹ On August 8, 2022, Shenzhen Hello Tech Energy Co., Ltd. (Hello Tech), a Chinese producer and exporter of subject merchandise, requested that Commerce conduct changed circumstances reviews (CCR) to find that it is appropriate to revoke the *Orders*, in part, with respect to certain off-grid small portable CSPV panels, pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.216(b).² Hello Tech's CCR request included a letter from the American Alliance for Solar Manufacturing (the Alliance), a coalition of domestic producers of solar cells, which stated that the Alliance did not oppose Hello Tech's request for changed circumstances reviews and its proposed exclusion language.³ On September 29, 2022, we published the notice of initiation of the requested CCRs.⁴ In the *Initiation Notice* we invited interested parties to provide comments and/or factual information regarding these CCRs, including comments on industry support and the proposed partial revocation language.⁵ We received no comments or factual information.
