

rule change not later than 180 days after the date of publication of notice of filing of the proposed rule change. The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination. The proposed rule change was published for notice and comment in the **Federal Register** on January 10, 2023.⁹ July 9, 2023, is 180 days from that date, and September 7, 2023, is 240 days from that date.

The Commission finds it appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule change, as modified by Amendment No. 1, so that it has sufficient time to consider the proposed rule change, the issues raised in the comment letters that have been submitted in connection therewith, and the Exchange's response to comments. Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,¹⁰ designates September 7, 2023, as the date by which the Commission should either approve or disapprove the proposed rule change, as modified by Amendment No. 1 (File No. SR-NASDAQ-2022-079).

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹¹

Assistant Secretary.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 17g-2 (17 CFR 240.17g-2) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et*

seq.) ("Exchange Act"). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 17g-2, "Records to be made and retained by nationally recognized statistical rating organizations," implements the Commission's recordkeeping rulemaking authority under Section 17(a) of the Exchange Act.¹ The rule requires a Nationally Recognized Statistical Rating Organization ("NRSRO") to make and retain certain records relating to its business and to retain certain other business records, if such records are made. The rule also prescribes the time periods and manner in which all these records must be retained. There are 10 credit rating agencies registered with the Commission as NRSROs under section 15E of the Exchange Act, which have already established the record keeping policies and procedures required by Rule 17g-2. Based on staff experience, NRSROs are estimated to spend a total industry-wide burden of 2,390 annual hours to make and retain the appropriate records.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information on respondents; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication. August 11, 2023

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.
