Paperwork Reduction Act (PRA)

Eligible students are required to submit a Form I-765, "Application for Employment Authorization," to request employment authorization and an Employment Authorization Document, and a Form I-983, "Training Plan for STEM OPT Students," to ensure that they are receiving the academic and training benefits of the STEM OPT extension. Consistent with the PRA, the Office of Management and Budget (OMB) has previously approved the collection of information contained on the current Form I-765 (OMB Control No. 1615-0040) and Form I-983 (OMB Control No. 1653-0054). Although there could be a slight increase in the number of filings for both the Form I-765 and Form I-983 because of this notice, the number of filings currently contained in the OMB annual inventory is sufficient to cover any additional filings. Accordingly, there is no further action required under the PRA.
