SUPPLEMENTARY INFORMATION:

Description: The Evaluation of the Child Welfare Capacity Building Collaborative, Center for States is sponsored by the Children’s Bureau (CB), Administration for Children and Families of HHS. The purpose of this evaluation is to respond to a set of cross-cutting evaluation questions posed by CB.

This existing information collection is an ancillary part of a larger data collection effort being conducted for the evaluation of the Child Welfare Capacity Building Collaborative. This notice details a group of instruments that are specific only to the Center for States. The instruments focus on (1) evaluating an innovative approach to engaging professionals in networking and

professional development through virtual expos, (2) understanding fidelity to and effectiveness of the Center’s Capacity Building Model, (3) capturing information about individualized support to jurisdictions, and (4) enhancing the Center’s support focused on equity and lived experience. To date, this data collection and resulting findings have been used (a) to assess satisfaction with service delivery and make adjustments to improve quality, (b) to support professional development of child welfare professionals through improving the virtual expo experience, particularly during the pandemic, and (c) to support provision of effective and high-quality individualized support to jurisdictions.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Proposed Information Collection Activity; Voluntary Agencies Matching Grant Program Data Reporting (New Collection)

AGENCY: Office of Refugee Resettlement, Administration for Children and Families, U.S. Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Office of Refugee Resettlement (ORR), Administration for Children and Families (ACF), U.S. Department of Health and Human Services, is proposing to collect data from grantee agencies participating in the Voluntary Agencies Matching Grant Program. Client data collected will include enrollment information, demographics, and program outcomes.

DATES: *Comments due within 60 days of publication.* In compliance with the requirements of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995,

ACF is soliciting public comment on the specific aspects of the information collection described above.

ADDRESSES: You can obtain copies of the proposed collection of information and submit comments by emailing infocollection@acf.hhs.gov. Identify all requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: This Matching Grant Program data collection is designed to satisfy the statutory requirements of the Immigration and Nationality Act (INA). Section 412(a)(3) of INA (8 U.S.C. 1522(a)(3)) requires that the Director of ORR make a periodic assessment of the needs of refugees for assistance and services and the resources available to meet those needs. ORR proposes collecting both case-level and client-level data elements at multiple points in time, which will allow the ORR Director to better understand client demographics, services utilized, and the outcomes achieved by clients enrolled in the Matching Grant Program. Data elements include biographical information, progress made toward achieving self-sufficiency, and

employment status. The data collected will inform evidence-based policy making and program design.

Respondents: National resettlement agencies participating in the Matching Grant Program.
