

request copies of the underlying policies and procedures. We estimate that it would take these advisers 0.1 hours per client to deliver copies of the policies and procedures, for a total burden of 490,105 hours. Accordingly, we estimate that rule 206(4)–6 results in an annual aggregate burden of collection for SEC-registered investment advisers of a total of 630,135 hours.

Records related to an adviser's proxy voting policies and procedures and proxy voting history are separately required under the Advisers Act recordkeeping rule 204–2 (17 CFR 275.204–2). The standard retention period required for books and records under rule 204–2 is five years, in an easily accessible place, the first two years in an appropriate office of the investment adviser. OMB has previously approved the collection with this retention period.

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–203, OMB Control No. 3235–0195]

Submission for OMB Review; Comment Request; Extension: Rule 17Ab2–1 and Form CA–1

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the

Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 17Ab2–1 (17 CFR 240.17Ab2–1) and Form CA–1: Registration of Clearing Agencies (17 CFR 249b.200) under the Securities Exchange Act of 1934 (“Exchange Act”) (15 U.S.C. 78a *et seq.*).

Rule 17Ab2–1 and Form CA–1 require clearing agencies to register with the Commission and to meet certain requirements with regard to, among other things, the clearing agency's organization, capacities, and rules. The information is collected from the clearing agency upon the initial application for registration on Form CA–1. Thereafter, information is collected by amendment to the initial Form CA–1 when changes in circumstances that render certain information on Form CA–1 inaccurate, misleading, or incomplete necessitate modification of the information previously provided to the Commission.

The Commission uses the information disclosed on Form CA–1 to (i) determine whether an applicant meets the standards for registration set forth in Section 17A of the Exchange Act, (ii) enforce compliance with the Exchange Act's registration requirement, and (iii) provide information about specific registered clearing agencies for compliance and investigatory purposes. Without Rule 17Ab2–1, the Commission could not perform these duties as statutorily required.

The Commission staff estimates that the average Form CA–1 requires approximately 340 hours to complete and submit for approval, and that on average, the Commission receives one application each year. The Commission staff estimates that completion of an initial Form CA–1 will result in an internal cost of compliance of approximately \$145,360 per year. The Commission staff estimates that it receives one amendment per year, and that an amendment requires approximately 60 hours of the exempt or registered clearing agency's staff time. The Commission staff estimates that amendment of a filed Form CA–1 will result in an internal cost of compliance of approximately \$28,020 per year. Therefore, the aggregate hour burden is approximately 400 hours per year (340 + 60) and the aggregate internal cost of compliance is approximately \$173,380 per year (\$145,360 + \$28,020).

The external costs associated with work on Form CA–1 include fees charged by outside lawyers and accountants to assist the applicant or registrant to collect and prepare the information sought by the form (though

such consultations are not required by the Commission). The Commission staff estimates that these external costs are more likely when novel questions arise under a new application, rather than under periodic review and amendment. The staff estimates an annual external cost of 45 hours of an Attorney's time (estimated at \$462 per hour) and 10 hours of a Senior Accountant's time (estimated at \$241 per hour) for preparation of the Form CA–1, resulting in an aggregate external cost of approximately \$23,200 per year (\$20,790 + \$2,410).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The public may view background documentation for this information collection at the following website: www.reginfo.gov. II. Background

Under 49 U.S.C. 31136(e) and 31315(b), FMCSA may grant an exemption from the FMCSRs for no longer than a 5-year period if it finds such exemption would likely achieve a level of safety that is equivalent to, or greater than, the level that would be achieved absent such exemption. The statutes also allow the Agency to renew exemptions at the end of the 5-year period. FMCSA grants medical exemptions from the FMCSRs for a 2-year period to align with the maximum duration of a driver's medical certification.

The physical qualification standard for drivers regarding hearing found in 49 CFR 391.41(b)(11) states that a person is physically qualified to drive a CMV if that person first perceives a forced whispered voice in the better ear at not less than 5 feet with or without the use of a hearing aid or, if tested by use of an audiometric device, does not have an average hearing loss in the
