

in any given CONUS location, Federal executive agencies can request that GSA review that location. Please review questions six and seven of GSA's per diem Frequently Asked Questions page at <https://www.gsa.gov/perdiem> for more information on the special review process. In addition, the Federal Travel Regulation (FTR) allows for actual expense reimbursement as provided in §§ 301–11.300 through 301–11.306.

For FY 2024, two new non-standard area (NSA) locations were added: Charles Town, West Virginia (Jefferson County), and Huntsville, Alabama (Madison County). Maximum lodging allowance rates in some existing per diem localities will increase and the standard CONUS lodging rate will increase from \$98 to \$107. The M&IE per diem tiers for FY 2024 are unchanged at \$59–\$79, with the standard M&IE rate unchanged at \$59.

Other than the changes posted on the GSA website, notices published periodically in the **Federal Register** now constitute the only notification of revisions in CONUS per diem reimbursement rates to agencies.
