Notice of Intent To Repatriate Cultural Item: University of Michigan, Ann Arbor, MI

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the University of Michigan intends to

repatriate a certain cultural item that meets the definition of a sacred objects and that has a cultural affiliation with the Indian Tribes in this notice. The cultural item was removed from an unknown county within the Rio Grande Valley, TX, or NM.

DATES: Repatriation of the cultural item in this notice may occur on or after September 22, 2023.

ADDRESSES: Dr. Ben Secunda, NAGPRA Office Manager, University of Michigan, Office of Research, Suite G269A, Lane Hall, Ann Arbor, MI 48109-1274, telephone (734) 615-8936, email bsecunda@umich.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the University of Michigan. The National Park Service is not responsible for the determinations in this notice. Additional information on the determinations in this notice, including the results of consultation, can be found in the summary or related records held by the University of Michigan.

Description

The one cultural item was removed from an unknown county within the Rio Grande Valley, TX, or NM, by Volney Jones, former Curator of Ethnology, University of Michigan Museum of Anthropological Archaeology (UMMAA). Prior to 1931, Jones conducted fieldwork with the Isleta Pueblo in and around New Mexico and El Paso, TX. Jones completed his Master's Thesis for the University of New Mexico on Isleta Pueblo ethnobotany. The cultural item is one lot of botanicals.

Cultural Affiliation

The cultural item in this notice is connected to one or more identifiable earlier groups, Tribes, peoples, or cultures. There is a relationship of shared group identity between the identifiable earlier groups, Tribes, peoples, or cultures and one or more Indian Tribes or Native Hawaiian organizations. The following types of information were used to reasonably trace the relationship: anthropological, folklore, geographical, historical, oral tradition, other relevant information, and expert opinion.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes and Native Hawaiian

organizations, the University of Michigan has determined that:

- The one cultural item described above is a specific ceremonial object needed by traditional Native American religious leaders for the practice of traditional Native American religions by their present-day adherents.
- There is a relationship of shared group identity that can be reasonably traced between the cultural item and the Pueblo of Isleta, New Mexico, and the Ysleta del Sur Pueblo.

Requests for Repatriation

Additional, written requests for repatriation of the cultural item in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural item in this notice to a requestor may occur on or after September 22, 2023. If competing requests for repatriation are received, the University of Michigan must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural item are considered a single request and not competing requests. The University of Michigan is responsible for sending a copy of this notice to the Indian Tribes identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.8, 10.10, and 10.14.

Notice of Inventory Completion Amendment: University of California, Riverside, Riverside, CA

AGENCY: National Park Service, Interior.

ACTION: Notice; amendment.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the

University of California, Riverside has amended a Notice of Inventory Completion published in the **Federal Register** on May 2, 2003. This notice amends the number of associated funerary objects in a collection removed from Riverside County, CA.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after September 22, 2023.

ADDRESSES: Megan Murphy, University of California, Riverside, 900 University Avenue, Riverside, CA 92517-5900, telephone (951) 827-6349, email megan.murphy@ucr.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the University of California, Riverside. The National Park Service is not responsible for the determinations in this notice. Additional information on the amendments and determinations in this notice, including the results of consultation, can be found in the inventory or related records held by the University of California, Riverside.

Amendment

This notice amends the determinations published in a Notice of Inventory Completion in the **Federal Register** (68 FR 23495, May 2, 2003). Repatriation of the items in the original Notice of Inventory Completion has not occurred. This amendment is being made to reflect the identification of newly discovered associated funerary objects for the archeological collection CA-RIV-1180 (accession 89). The original notice only listed human remains, but tribal representatives have reviewed the remaining objects in the collection and have identified funerary objects. The 3,917 objects include 3,628 animal bones, one bone bead, 219 ceramic sherds, 45 lithic materials, 12 flaked stone tools, two ground stones, one battered stone, and nine shell beads.

Determinations (as Amended)

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes and Native Hawaiian organizations, the University of California, Riverside has determined that:

- The human remains described in this amended notice represent the physical remains of one individual of Native American ancestry.
- The 3,917 objects described in this amended notice are reasonably believed

to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.

- There is a relationship of shared group identity that can be reasonably traced between the human remains and associated funerary objects described in this notice and the Agua Caliente Band of Cahuilla Indians of the Agua Caliente Indian Reservation, California; Augustine Band of Cahuilla Indians, California; Cabazon Band of Cahuilla Indians (Previously listed as Cabazon Band of Mission Indians, California); Cahuilla Band of Indians; Los Coyotes Band of Cahuilla and Cupeno Indians, California; Morongo Band of Mission Indians, California; Ramona Band of Cahuilla, California; Santa Rosa Band of Cahuilla Indians, California; and the Torres Martinez Desert Cahuilla Indians, California.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after September 22, 2023. If competing requests for repatriation are received, the {1. University of California, Riverside} must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The {1. University of California, Riverside} is responsible for sending a copy of this notice to the Indian Tribes identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.9, 10.10, 10.13, and 10.14.

Dated: August 16, 2023.

Notice of Inventory Completion: Detroit Institute of Arts, Detroit, MI

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Detroit Institute of Arts has completed an inventory of human remains and associated funerary objects and has determined that there is no cultural affiliation between the human remains and associated funerary objects and any Indian Tribe. The human remains and associated funerary objects were removed from an unknown geographic location.

DATES: Disposition of the human remains and associated funerary objects in this notice may occur on or after September 22, 2023.

ADDRESSES: Denene De Quintal, Detroit Institute of Arts, 5200 Woodward Avenue, Detroit, MI 48202, telephone (313) 578-1067, email NAGPRA@dia.org.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Detroit Institute of Arts. The National Park Service is not responsible for the determinations in this notice. Additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records held by the Detroit Institute of Arts.

Description

On an unknown date, human remains representing, at minimum, 11 individuals were removed from an unknown geographic location. The individuals (X1989.2344; X1989.3750; X1989.3758) were acquired by the Detroit Institute of Arts (DIA). On May 19, 2021, museum staff encountered human remains during a comprehensive review of the "Indigenous Americas" collection. The six associated funerary objects are one lot consisting of unidentified animal teeth; one tooth or claw fragment; one lot of claws; one piece of wood; one shell; and one lot consisting of non-human bone fragments.
