The submission seeks comments concerning the FEMA Preparedness Grants: Tribal Homeland Security Grant Program (THSGP). The THSGP investment justification allows

Indian Tribes to apply for Federal funding to support efforts to achieve target capabilities related to preventing, preparing for, protecting against, or responding to acts of terrorism.

DATES: Comments must be submitted on or before September 28, 2023.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. SUPPLEMENTARY INFORMATION: The purpose of the THSGP is to make grants available to Federally-recognized “directly eligible tribes”, as defined by the Homeland Security Act, and to provide Tribes with the ability to develop and deliver core capabilities using the combined efforts of the whole community, rather than the exclusive effort of any single organization or level of government. The THSGP’s allowable costs support efforts of Tribes to build and sustain core capabilities to prepare for, prevent, protect against, and respond to acts of terrorism. The THSGP also plays an important role in the implementation of the National Preparedness System by supporting the building, sustainment, and delivery of core capabilities essential to achieving FEMA’s National Preparedness Goal of a secure and resilient Nation. Federally-recognized Tribes are those Tribes appearing on the list published by the Secretary of the Interior pursuant to the Federally Recognized Indian Tribe List Act of 1994 (Pub. L. 103–454) (25 U.S.C. 5131). “Directly eligible tribes” are defined in Section 2001 of the Homeland Security Act of 2002, as amended (Pub. L. 107–296) (6 U.S.C. 601).
