**SUPPLEMENTARY INFORMATION:** The Privacy Act of 1974, as amended (5

U.S.C. 552a) provides certain protections for individuals applying for and receiving federal benefits. The law governs the use of computer matching by federal agencies when records in a system of records (meaning, federal agency records about individuals retrieved by name or other personal identifier) are matched with records of other federal or non-federal agencies. In carrying out this Agreement, both Parties will follow requirements that apply to System of Records, and HHS will carry out all of the requirements that apply to matching programs—under the Privacy Act as amended (5 U.S.C. 552a) and the regulations and guidance promulgated thereunder, including Office of Management and Budget (OMB) Circular A-108 “Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act” published at 81 FR 94424 (Dec. 23, 2016) and other OMB guidelines. The DHS Data Integrity Board has not approved this program, but DHS/USCIS has approved the data exchange agreement.

The Privacy Act requires agencies involved in a program that meets the definition of a “matching program” in 5 U.S.C. 552a(a)(8) to comply with the below requirements. HHS will provide all of the required protections to:

1. Enter into a written agreement, provide a copy of the agreement to Congress and the Office of Management and Budget (OMB), and make it available to the public, as required by 5 U.S.C. 552a(o), (u)(3)(A), and (u)(4).
2. Notify the individuals whose information will be used in the matching program that the information they provide is subject to verification through matching, as required by 5 U.S.C. 552a(o)(1)(D).
3. Verify match findings before suspending, terminating, reducing, or making a final denial of an individual’s benefits or payments or taking other adverse action against the individual, as required by 5 U.S.C. 552a(p).
4. Report the matching program to Congress and the OMB, in advance and annually, as required by 5 U.S.C. 552a(o) (2)(A)(i), (r), and (u)(3)(D).
5. Publish advance notice of the matching program in the **Federal Register** as required by 5 U.S.C. 552a(e)(12).
