Title of Collection: Educational Opportunity Centers Program (EOC) Annual Performance Report.

OMB Control Number: 1840–0830.

Type of Review: Revision of a currently approved ICR.

Respondents/Affected Public: State, Local, and Tribal Governments; Private Sector.

Total Estimated Number of Annual Responses: 183.

Total Estimated Number of Annual Burden Hours: 1,464.

Abstract: The Department of Education (ED) collects Annual Performance Reports (APRs) from Educational Opportunity Centers (EOC) grantees under the authority of Title IV, Part A, Subpart 2, Division 1, Sections 402A and 402B of the Higher Education Act of 1965, as amended, the program

regulations in 34 CFR 644, and the Education Department General Administrative Regulations (EDGAR), in 34 CFR 74.51, 75.720, and 75.732. The information that grantees submit in their APRs allows ED to annually assess each grantee's progress in meeting their project's approved goals and objectives. The APR data that grantees submit are compared with the projects' approved objectives to determine the projects' accomplishments, to make decisions regarding whether funding should be continued, and to award "prior experience" points. The regulations for this program provide for awarding up to 15 points for prior experience (34 CR 644.22). During a competition for new grant awards, the prior experience points are added to the average of the peer reviewers' scores to arrive at a total score for each application. Funding recommendations and decisions are primarily based on the rank order of applications on the slate; therefore, assessment of prior experience points, based on data in the annual performance report, is a crucial part of the overall application process.

Further, this performance report form is the main source of data for the Department's response to the requirements of the Government Performance and Results Act (GPRA) for this program. In addition, the Department uses the annual performance reports to produce program level data for annual reporting, budget submissions to OMB, Congressional hearings and inquiries, and responding to inquiries from higher education interest groups and the general public.

EOC APRs are prepared and submitted by EOC grant projects. For each EOC grant project, the grant project director of record completes, or supervises the completion of the data submission process. The grant project director supervises the administration of an EOC grant. An EOC grant provides counseling and information on college admissions to qualified adults who want to enter or continue a program of postsecondary education. The program also provides services to improve the financial and economic literacy of participants. An important objective of the program is to counsel participants on financial aid options, including basic financial planning skills, and to assist in the application process. The goal of the EOC program is to increase the number of adult participants who enroll in postsecondary education institutions.

The proposed revision to the APR entails replacement of Competitive Preference Priority (CPP) questions with new CPP questions of equal response time. In addition, the annual number of

responses and total annual burden hours have been adjusted to reflect an increase in the size of the reporting universe.

Dated: September 11, 2023.

PRA Coordinator, Strategic Collections and Clearance Governance and Strategy Division, Office of Chief Data Officer, Office of Planning, Evaluation and Policy Development.

Abstract: Section 483, of the Higher Education Act of 1965, as amended (HEA), mandates that the Secretary of Education ". . . shall produce, distribute, and process free of charge common financial reporting forms as described in this subsection to be used for application and reapplication to determine the need and eligibility of a student for financial assistance . . .".

The determination of need and eligibility are for the following title IV, HEA, federal student financial assistance programs: the Federal Pell Grant Program; the Campus-Based programs (Federal Supplemental Educational Opportunity Grant (FSEOG) and Federal Work-Study (FWS)); the William D. Federal Student Aid (FSA), an office of the U.S. Department of Education, subsequently developed an application process to collect and process the data necessary to determine a student's eligibility to receive Title IV, HEA program assistance.
