SUPPLEMENTARY INFORMATION: On August 18, 2023, the Department published in the **Federal Register** a notice of open meetings of the RACs (88 FR 56608). The notice established the agenda, dates and times, and instructions for accessing the upcoming virtual meetings. This notice amends the dates and times for Meeting 2 for each RAC and provides information about the meetings to members of the public who may be interested in attending the meetings or providing written comments related to the work of the RACs. Notice of these meetings is required under the Federal Advisory Committee Act.

Statutory Authority: The RACs are authorized by the Educational Technical Assistance Act of 2002 (ETAA) (Pub. L. 107–279; 20 U.S.C. 9605). Information on the RACs can be found at <https://oese.ed.gov/offices/office-of-formula-grants/program-and-grantee-support-services/comprehensive-centers-program/regional-advisory-committees/>. The RACs advise the Secretary of Education (Secretary) regarding the educational needs of their regions, as

described in section 174(b) of the Education Sciences Reform Act of 2002, in order to assist in making decisions regarding the regional educational priorities.

The RACs’ responsibilities include assessing the educational needs within their regions (Assessment). In conducting the Assessment, RACs seek input from chief executive officers of States, chief State school officers, educators, and parents. The RACs conduct open hearings to solicit the views and needs of schools (including public charter schools), teachers, administrators, members of the regional educational laboratory governing board, parents, local educational agencies, librarians, businesses, State educational agencies, and other customers, such as adult education programs, within the region regarding the need for the activities described in 20 U.S.C. 9564 and 9602, and how those needs would be most effectively addressed. RACs submit the Assessment to the Secretary and to the Director of the Institute of Education Sciences, at such time, in such a manner, and containing such information as the Secretary may require.

Purpose of Open Meetings: The open meetings are designed to—

(1) Provide members of the 10 RACs an opportunity to participate in two open virtual meetings to assess the educational needs within the region served and to deliberate on the findings to prepare their region’s Assessment.

(2) Provide members of the RACs the opportunity to review and discuss the reports that they will submit to the Secretary in October 2023.

(3) Provide an opportunity for the public to observe and listen to RAC discussions on the top challenges in each region for improving student academic achievement and educational outcomes.

(4) Provide an opportunity for the public to observe and listen to RAC discussions on recommendations on the educational needs of each region and how those needs may be addressed through technical assistance activities provided by comprehensive centers described in section 203 of the Educational Technical Assistance Act (ETAA) that would help States, districts, and schools successfully address the critical educational challenges identified by each of the RACs.

(5) Provide an opportunity for the public to observe and listen to discussions and recommendations from each of the RACs on the priorities for federally funded technical assistance in their region.
