SUPPLEMENTARY INFORMATION:

On August 30, 2023, OSHA published a NPRM titled “Worker Walkaround Representative Designation Process.” (88 FR 59825). In the NPRM, OSHA proposed to amend its Representatives of Employers and Employees regulation to clarify that the representative(s) authorized by employees may be an employee of the employer or a third party; such third-party employee representative(s) may accompany the OSHA Compliance Safety and Health Officer (CSHO) when they are reasonably necessary to aid in the inspection. OSHA also proposed clarifications of the relevant knowledge, skills, or experience with hazards or conditions in the workplace or similar workplaces, or language skills of third-party representative(s) authorized by employees who may be reasonably necessary to the conduct of a CSHO’s physical inspection of the workplace.

The public comment period for this NPRM was to conclude on October 30, 2023, 60 days after publication of the NPRM. However, OSHA received requests from stakeholders for a 60-day

extension of the public comment period (Document ID 0015; 0018). OSHA agrees to an extension of the public comment period and believes that a two-week extension is sufficient and appropriate in order to balance the agency’s need for timely input with the stakeholders’ request. Accordingly, the comment period for this NPRM is being extended and will now conclude on November 13, 2023.

New Mailing Standards for Domestic Mailing Services Products

AGENCY: Postal Service™.

ACTION: Proposed rule.

SUMMARY: On October 6, 2023, the Postal Service (USPS®) filed a notice of mailing services price adjustments with the Postal Regulatory Commission (PRC), effective January 21, 2024. This proposed rule contains the revisions to *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) that we would adopt to implement the changes coincident with the price adjustments. Additionally, various portions of DMM section 207 will be revised to implement the changes coincident with collapsing zones for Periodicals which was effective as of July 9, 2023.

DATES: Submit comments on or before November 15, 2023.

ADDRESSES: Mail or deliver written comments to the Manager, Product Classification, U.S. Postal Service, 475 L’Enfant Plaza SW, Room 4446, Washington, DC 20260–5015. All submitted comments and attachments are part of the public record

and subject to disclosure. Do not enclose any material in your comments that you consider to be confidential or inappropriate for public disclosure.

You may inspect and photocopy all written comments, by appointment only, at USPS® Headquarters Library, 475 L'Enfant Plaza SW, 11th Floor North, Washington, DC 20260. These records are available for review on Monday through Friday, 9 a.m.–4 p.m., by calling 202–268–2906.

FOR FURTHER INFORMATION CONTACT: Steven Mills at (202) 268–7433, Lynne Hallett at (202) 268–2213, or Doriane Harley at (202) 268–2537.

SUPPLEMENTARY INFORMATION: Proposed prices will be available under Docket No. R2024–1 on the Postal Regulatory Commission’s website at www.prc.gov.

The Postal Service’s proposed rule includes: changes to prices, mail classification updates, product simplification efforts, and minor revisions to the DMM.

Certificate of Mailing—Automated Solution

Currently, Certificate of Mailing is processed manually at the BMEU for individual pieces of First-Class Mail®, USPS Marketing Mail®, and Package Services. Certificate of Mailing provides evidence of mailing only and does not provide a record of delivery.

The Postal Service is proposing to add an automated option for processing forms 3606–D Certificate of Bulk Mailing; 3665 Certificate of Mailing; and 3877 Firm Mailing Book for Accountable Mail at the BMEU when electronically uploaded to PostalOne! and payment via EPS (Enterprise Payment System).

Promotion Eligible Product Identification

Currently, mailers are unable to see the discount breakdown at product level for each promotion; in addition, when a new promotion is added or an existing promotion is enhanced, changes applied to the product line is not readily available to mailers.

The Postal Service is proposing an update that will enable mailers to see promotion discounts at the product level for each promotion as well as ensure all updates are applied to applicable systems in sync.

These proposed revisions will provide consistency within postal products and add value for customers.

Although exempt from the notice and comment requirements of the Administrative Procedure Act (5 U.S.C. 553(b), (c)) regarding proposed rulemaking by 39 U.S.C. 410(a), the Postal Service invites public comments on the following proposed revisions to *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM), incorporated by reference in the Code of Federal Regulations. We will publish an appropriate amendment to 39 CFR part 111 to reflect these changes.

2.0 Price Application and Computation

2.1 Price Application

* * * * *

2.1.4 Applying Pound Price

Apply pound prices to the weight of the pieces in the mailing as follows:

[Revise items a and b to read as follows:]

a. Outside-County (including Science-of-Agriculture) pound prices are based on the weight of the advertising portion sent to each destination entry and the weight of the nonadvertising portion to a destination entry.

b. In-County pound prices consist of a DDU entry price and a Non-DDU entry price for eligible copies delivered to addresses within the county of publication.

* * * * *

2.1.5 Computing Weight of Advertising and Nonadvertising Portions

[Revise the text of 2.1.5 to read as follows:]

The pound price charge is the sum of the charges for the computed weight of the advertising portion of copies to each destination entry, plus the sum of the charges for the computed weight of the nonadvertising portion of copies to each destination entry. The following standards apply:

a. The minimum pound price charge for any entry level to which copies are mailed is the 1-pound price. For example, three 2-ounce copies for an entry are subject to the minimum 1-pound charge.

b. Authorized Nonprofit and Classroom publications with an advertising percentage that is 10% or less are considered 100% nonadvertising. When computing the pound prices and the nonadvertising adjustment, use “0” as the advertising percentage. Authorized Nonprofit and Classroom publications claiming 0% advertising must pay the nonadvertising pound price for the entire weight of all copies.

* * * * *

2.2 Computing Postage

* * * * *

2.2.3 Computing Other Weights

To find the total weight of mailed copies per entry level, multiply the corresponding number of copies by the computed weight per copy. Round off each result to the nearest whole pound, except that when the result is under 0.5 pound, round to 1 pound. To find the weight of the advertising portion for each entry, where applicable, multiply the total weight of copies for that entry by the percentage of advertising. Round off each result to the nearest whole pound, except that when the result is under 0.5 pound, round to 1 pound. To find the weight of the nonadvertising portion, subtract the total weight of the advertising portion to all entry levels from the total weight of copies to all entry levels. To find the weight of In-County price copies, multiply the number of copies by the weight per copy and round off the total weight to the nearest whole pound, except that when the result is less than 0.5 pound, round to 1 pound.

A 3-digit ZIP Code may appear more than once if there are copies at different entry prices for that ZIP Code (for example, In-County and Outside-County copies).

For each entry level, the listing must include these columns: 3-digit ZIP Code and number of copies in the mailing. Include a summary of the total number of copies for each entry level at the end of each entry listing. A 3-digit ZIP Code may appear under more than one entry level if there are copies at different entry prices for that ZIP Code.
