

above \$34 million. Therefore, more than 9, a majority of handlers, have raised sales below \$34 million and may be classified as small entities.

On October 20, 2022, the Committee recommended that AMS postpone the scheduled continuance referendum to avoid the referendum period overlapping with a formal rulemaking to amend the Order and any potential confusion it would otherwise cause producers. After considering the Committee's request, AMS determined that the scheduled continuance referendum should be suspended while AMS conducts a formal rulemaking to amend the Order and, if effectuated, while the industry operates under such amended Order.

Section 989.91(b) authorizes the Secretary to terminate or suspend the operation of any or all provisions of the Order, whenever the Secretary finds that such provisions do not tend to effectuate the declared policy of the act.

This interim final rule suspends the continuance referendum requirement under section 989.91(c) of the Federal marketing order regulating the handling of raisins produced from grapes grown in California. The next scheduled continuance referendum will be conducted no earlier than November 26, 2029. AMS will consider all comments received prior to publication of a final rule in the **Federal Register**.

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Order's information collection requirements have been previously approved by OMB and assigned OMB No. 0581-0178, Vegetable and Specialty Crops. No changes are necessary in those requirements as a result of this rule. Should any changes become necessary, they would be submitted to OMB for approval.

This interim final rule does not impose any additional reporting or recordkeeping requirements on either small or large raisin handlers. As with all Federal marketing order programs, reports and forms are periodically reviewed to reduce information requirements and duplication by industry and public sector agencies. AMS has not identified any relevant Federal rules that duplicate, overlap, or conflict with this interim final rule.

AMS is committed to complying with the E-Government Act, to promote the use of the internet and other information technologies to provide increased opportunities for citizen access to Government information and services, and for other purposes.

A small business guide on complying with fruit, vegetable, and specialty crop

marketing agreements and orders may be viewed at: <https://www.ams.usda.gov/rules-regulations/moa/small-businesses>. Any questions about the compliance guide should be sent to Richard Lower at the previously mentioned address in the **FOR FURTHER INFORMATION CONTACT** section.

After consideration of all relevant material presented, including the information and recommendations submitted by the Committee and other available information, it is hereby found that this section 989.91(c) does not tend to effectuate the declared policy of the Act for the period specified herein and should be stayed for that period.

This interim final rule invites comments on the temporary suspension of the continuance referendum requirement under Marketing Order 989, which regulates the handling of raisins produced from grapes grown in California. A 30-day comment period is provided to allow interested persons to respond to this rule. All written comments timely received will be considered before a final rule is published in the **Federal Register**.

Good Cause Analysis

Pursuant to section 553(b)(B) of the Administrative Procedure Act, notice and comment are not required prior to the issuance of a final rule if an agency, for good cause, finds that "notice and public procedure thereon are impracticable, unnecessary, or contrary to the public interest."

AMS has determined upon good cause that it is impracticable, unnecessary, and contrary to the public interest to give preliminary notice prior to putting this rule into effect because this rule should be implemented as soon as possible since the continuance referendum period was originally scheduled during this time period and the potential formal rulemaking will likely begin soon, the Committee discussed this issue at public meetings and unanimously recommended a suspension of the continuance referendum, and the rule provides a comment period and any comments received will be considered prior to finalization of this rule.

For the reasons stated above, AMS also finds that good cause exists for the interim final rule to be effective upon publication in the **Federal Register**.

7 CFR Part 3434

RIN 0524-AA39

Hispanic-Serving Agricultural Colleges and Universities (HSACU) Certification Process

AGENCY: National Institute of Food and Agriculture (NIFA), Department of Agriculture (USDA).

ACTION: Final rule.

SUMMARY: This amendment to NIFA regulations updates the list of institutions that are granted Hispanic-Serving Agricultural Colleges and Universities (HSACU) certification by the Secretary and are eligible for HSACU programs for the period starting July 1, 2023, and ending July 1, 2024.

DATES: This rule is effective October 16, 2023, and applicable July 1, 2023.

FOR FURTHER INFORMATION CONTACT: Amanda Sahinovic; Financial Policy Specialist; National Institute of Food and Agriculture; U.S. Department of Agriculture; 805 Pennsylvania Ave.; Kansas City, MO 64105; Voice: 816-266-9905; Email: HSACU@usda.gov.

SUPPLEMENTARY INFORMATION:

HSACU Institutions, 2023–2024: This rule makes changes to the existing list of institutions in appendix B of 7 CFR part 3434. The list of institutions is amended to reflect the institutions that are granted HSACU certification by the Secretary and are eligible for HSACU programs for the period starting July 1, 2023, and ending July 1, 2024.

Certification Process: As stated in 7 CFR 3434.4, an institution must meet

the following criteria to receive HSACU certification: (1) Be a Hispanic-Serving Institution (HSI), (2) offer agriculture-related degrees, (3) not be designated an 1862 land-grant institution, (4) not appear on the Excluded Parties List System (EPLS), (5) be accredited, and (6) award at least 15% of agriculture-related degrees to Hispanic students over the two most recent academic years.

NIFA obtained the latest report from the U.S. Department of Education's National Center for Education Statistics that lists all HSIs and the degrees conferred by these institutions (completion data) during the 2020–21 academic year. NIFA used this report to identify HSIs that conferred a degree in an instructional program that appears in appendix A of 7 CFR part 3434 and to confirm that over the 2019–2020 and 2020–21 academic years at least 15% of the degrees in agriculture-related fields were awarded to Hispanic students. NIFA further confirmed that these institutions were nationally accredited.

The updated list of HSACUs is based on (1) completions data from 2019–20 and 2020–21, and (2) enrollment data from Fall 2021. NIFA identified 223 institutions that met the eligibility criteria to receive HSACU certification for fiscal year (FY) 2023 (July 1, 2023, to July 1, 2024).

Section 7102 of the Agriculture Act of 2018 (Pub. L. 115–334) amended Section 1404(14) of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 (7 U.S.C. 3103(14)) to remove the opt-in, opt-out language for Hispanic Serving Agricultural Colleges and Universities (HSACU) in order to apply for Non Land-Grant College of Agriculture (NLGCA) designation.

Appeal Process: As set forth in 7 CFR 3434.8, NIFA will permit HSIs that are not granted HSACU certification to submit an appeal within 30 days of the publication of this rule.

Classification: This rule relates to public property, loans, grants, benefits, or contracts. Accordingly, pursuant to 5 U.S.C. 553, notice of proposed rulemaking and opportunity for comment are not required, and this rule may be made effective less than 30 days after publication in the **Federal Register**. This rule also is exempt from the provisions of Executive Order 12866. This action is not a rule as defined by the Regulatory Flexibility Act, as amended by the Small Business Regulatory Enforcement Fairness Act of 1996, 5 U.S.C. 601 *et seq.*, or the Congressional Review Act, 5 U.S.C. 801 *et seq.*, and thus is exempt from the provisions of those Acts. This rule contains no information collection or

recordkeeping requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

List of Subjects in 7 CFR Part 3434

Administrative practice and procedure, Agricultural research, education, extension, Federal assistance, Hispanic-serving institutions.

Accordingly, part 3434 of title 7 of the Code of Federal Regulations is amended as set forth below:

PART 3434—HISPANIC-SERVING AGRICULTURAL COLLEGES AND UNIVERSITIES CERTIFICATION PROCESS

■ 1. The authority citation for part 3434 continues to read as follows:

Authority: 7 U.S.C. 3103.

■ 2. Revise appendix B to read as follows:

Appendix B to Part 3434—List of HSACU Institutions, 2023–2024

The institutions listed in this appendix are granted HSACU certification by the Secretary and are eligible for HSACU programs for the period starting July 1, 2023, and ending July 1, 2024. Institutions are listed alphabetically under the state of the school's location, with the campus indicated where applicable.
