Within 14 days of the filing of such comments, any interested party is permitted one opportunity to submit comments and factual information to rebut, clarify, or correct factual information submitted by the other interested parties (including rebuttal in response to any requests made under 19 CFR 351.225(l)(2)(iii)(B) and (l)(3)(iii)(B)). At this time, we are not soliciting or accepting comments on the self-initiation of the circumvention inquiries. #### Low Melt Polyester Staple Fiber From the Republic of Korea and Taiwan: Final Results of the Expedited First Sunset Reviews of Antidumping Duty Orders

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** As a result of these expedited sunset reviews, the U.S. Department of Commerce (Commerce) finds that revocation of the antidumping duty (AD) orders on low melt polyester staple fiber (low melt PSF) from the Republic of Korea (Korea) and Taiwan would be likely to lead to continuation or recurrence of dumping at the levels

indicated in the “Final Results of Expedited Sunset Reviews” section of this notice.

**DATES:** Applicable October 19, 2023.

**FOR FURTHER INFORMATION CONTACT:** Andrew Hart, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-1058.

#### SUPPLEMENTARY INFORMATION:

##### Background

On August 16, 2018, Commerce published in the **Federal Register** the AD orders on low melt PSF from Korea and Taiwan.<sup>1</sup> On July 3, 2023, Commerce published the *Initiation Notice* of the first sunset reviews of the *Orders* pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).<sup>2</sup> In accordance with 19 CFR 351.218(d)(1)(i) and (ii), Commerce received notices of intent to participate in these sunset reviews from Huvis Indorama Advanced Materials, LLC and Nan Ya Plastics Corporation, America (collectively, the domestic interested parties) within 15-days after the date of publication of the *Initiation Notice*.<sup>3</sup> The domestic interested parties claimed interested party status under section 771(9)(C) of the Act as producers of a domestic like product in the United States.

Commerce received timely, adequate substantive responses to the *Initiation Notice* from the domestic interested parties within the 30-day period specified in 19 CFR 351.218(d)(3)(i).<sup>4</sup> Commerce did not receive substantive responses from any other interested parties, and no party requested a hearing.

On August 22, 2023, Commerce notified the U.S. International Trade Commission that it did not receive an adequate substantive response from

other interested parties.<sup>5</sup> As a result, in accordance with section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted expedited, *i.e.*, 120-day, sunset reviews of the *Orders*.

##### Scope of the Orders

The merchandise subject to the *Orders* is synthetic staple fibers, not carded or combed, specifically bi-component polyester fibers having a polyester fiber component that melts at a lower temperature than the other polyester fiber component (low melt PSF). For a complete description of the scope of the *Orders*, see the Issues and Decision Memorandum.<sup>6</sup>

##### Analysis of Comments Received

All issues raised in these sunset reviews are addressed in the Issues and Decision Memorandum, including the likelihood of continuation or recurrence of dumping and the magnitude of the margins of dumping likely to prevail if the *Orders* were revoked.<sup>7</sup> A list of topics discussed in the Issues and Decision Memorandum is included as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed at <http://access.trade.gov/public/FRNoticesListLayout.aspx>.

##### Final Results of Expedited Sunset Reviews

Pursuant to sections 751(c)(1) and 752(c)(1) and (3) of the Act, Commerce determines that revocation of the *Orders* would likely lead to the continuation or recurrence of dumping and that the magnitude of the dumping margins likely to prevail would be at a rate up to 16.27 percent for Korea and up to 49.93 percent for Taiwan.

##### Administrative Protective Orders

This notice serves as the only reminder to interested parties subject to an administrative protective order (APO) of their responsibility concerning
