Privacy Act of 1974; System of Records

AGENCY: Office of the Secretary of Defense (OSD), Department of Defense (DoD).

ACTION: Notice of a modified system of records.

SUMMARY: In accordance with the Privacy Act of 1974, the Office of the Secretary of Defense is modifying a system of records titled, "Joint Advertising, Market Research & Studies (JAMRS) Survey Database," DHRA 05. The records within this system are used to compile names of individuals aged 16 through maximum recruiting age to create a mailing frame from which to conduct surveys. These surveys are conducted multiple times per year and designed so that appropriate levels of precision are achieved for inferences to be made at various geographic levels. The system also maintains the ability to remove the names of individuals who are current/former members of, or are enlisting in, the Armed Forces, and individuals who have asked to be removed from consideration as a participant in any future survey. The DHRA 05 system of records notice (SORN) is being updated to add two new DoD Standard routine uses (Routine Uses I and J) which authorize disclosures to allow for coordination with the Office of Inspector General and other disclosures mandated by Federal statute or treaty. The DoD is also modifying various other sections within the SORN to improve clarity or update information that has changed.

DATES: This system of records is effective upon publication; however, comments on the Routine Uses will be accepted on or before December 7, 2023. The Routine Uses are effective at the close of the comment period.

ADDRESSES: You may submit comments, identified by docket number and title, by either of the following methods:

* *Federal Rulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.

* *Mail:* Department of Defense, Office of the Assistant to the Secretary of Defense for Privacy, Civil Liberties, and Transparency, Regulatory Directorate, 4800 Mark Center Drive, Attn: Mailbox 24, Suite 08D09, Alexandria, VA 22350–1700.

SUPPLEMENTARY INFORMATION:

I. Background

This system of records covers information maintained in the Joint Advertising, Market Research & Studies (JAMRS) Survey Database, which DoD uses for surveying efforts in support of military recruiting. JAMRS maintains and regularly updates a list of recruitment-aged individuals which is used by DoD to draw samples for surveys within the database. The objective of such surveys is to understand the perceptions, beliefs, and attitudes of recruitment-aged Americans as they relate to joining the Military through surveys. Subject to public comment, the OSD is updating this SORN to add two new DoD Standard routine uses (Routine Uses I and J) which authorize disclosures to allow for coordination with an Office of Inspector General and other disclosures mandated by Federal statute or treaty. In addition to updating the routine use section, the other modifications are to the following sections: (1) System Location to update the address, (2) Authority for Maintenance of the System to update citation(s); (3) Purpose of the System to improve clarity; (4) Categories of Records to provide clarity; (5) Records Source Categories to add additional sources; (6) Policies and Practices for Storage of Records to account for the use of Government-validated Cloud Computing environments; (7) Policies and Practices For Retrieval of Records for clarity; (8) Administrative, Technical, and Physical Safeguards to update the description of safeguards protecting these records; (9) to the Record Access, Notification, and Contesting Record Procedures, to reflect the updated guidance for accessing records and to update the appropriate citation for contesting records. Furthermore, this notice includes non-substantive changes to simplify the formatting and text of the previously published notice.

DoD SORNs have been published in the **Federal Register** and are available from the address in **FOR FURTHER INFORMATION CONTACT** or at the Privacy, Civil Liberties, and Freedom of Information Directorate website at <https://dpcl.d.defense.gov/privacy>.

II. Privacy Act

Under the Privacy Act, a “system of records” is a group of records under the control of an agency from which information is retrieved by the name of an individual or by some identifying number, symbol, or other identifying particular assigned to the individual. In the Privacy Act, an individual is defined as a U.S. citizen or lawful permanent resident.

In accordance with 5 U.S.C. 552a(r) and Office of Management and Budget (OMB) Circular No. A-108, the Office of the Assistant to the Secretary of Defense for Privacy, Civil Liberties, and Transparency has provided a report of this system of records to the OMB and to Congress.

SYSTEM MANAGER(S):

Program Manager, Defense Personnel Analytics Center, Office of People Analytics, Joint Advertising, Market Research & Studies (JAMRS), Suite 06J25, 4800 Mark Center Drive, Alexandria, VA 22350-4000; email: info@jamrs.org.

AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

10 U.S.C. 503(a), Enlistments; Recruiting campaigns; 10 U.S.C. 136, Under Secretary of Defense for Personnel and Readiness; 10 U.S.C. 4001, Research and development projects; 10 U.S.C. 7013, Secretary of the Army; 10 U.S.C. 8013, Secretary of the

Navy; 10 U.S.C. 9013, Secretary of the Air Force; and 14 U.S.C. 350, Coast Guard.

PURPOSE(S) OF THE SYSTEM:

To compile names, demographic information, and contact information of individuals aged 16 through maximum recruiting age to create a mailing frame from which to conduct surveys. Survey respondents are randomly selected from the mailing frame data for the administration of mail-based surveys within the survey sampling administrative database. These surveys cover numerous topics related to interest and knowledge of military service and are conducted multiple times per year. Each survey is designed so that appropriate levels of precision are achieved for inferences to be made at various geographic levels. The system also provides JAMRS with the ability to remove the names of individuals who are current/former members of, or are enlisting in, the Armed Forces, and individuals who have asked to be removed from consideration as a participant in any future JAMRS surveys.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

A. Individuals aged 16 through maximum recruiting age; Selective Service System registrants; individuals who have taken the Armed Services Vocational Aptitude Battery (ASVAB) test; current military personnel who are on Active Duty or in the Reserves; prior service individuals who still have remaining Military Service Obligation (commonly known as the Individual Ready Reserve or IRR); individuals who are in the process of enlisting or enrolled in ROTC (commonly known as the Military Entrance Program Command (MEPCOM) applicant file).

B. Individuals who have asked to be removed from consideration as a participant in any future JAMRS survey. Opt-Out Information: Individuals who are 15½ years old or older, or parents or legal guardians acting on behalf of individuals who are between the ages of 15½ and 18 years old, seeking to have their name or the name of their child or ward, as well as other identifying data, removed from this system of records (or removed in the future when such information is obtained), should address written Opt-Out requests to Joint Advertising, Marketing Research & Studies (JAMRS), ATTN: Survey Project Officer, Suite 06J25, 4800 Mark Center Drive, Alexandria, VA 22350-4000. Such requests must contain the full name, date of birth, and current address of the individual. Opt-Out requests will

be honored until the individual is no longer eligible for recruitment. However, because Opt-Out screening is based, in part, on the current address of the individual, any change in address will require the submission of a new opt-out request with the new address.

CATEGORIES OF RECORDS IN THE SYSTEM:

Name, gender, mailing address, date of birth, ethnicity, Armed Services Vocational Aptitude Battery (ASVAB) test results, and information source code.

Note 1: For individuals who have submitted an opt-out request to JAMRS, the system maintains the individuals' information in suppression files. The suppression files ensure those individuals are not contacted.

Note 2: Individuals' survey responses are not maintained in this system of records. DoD de-identifies JAMRS survey responses and does not maintain an association between the results and the individual's record in this system of records.

RECORD SOURCE CATEGORIES:

Records and information stored in this system of records are obtained from: Individuals (or their parents/guardians), including those who have submitted an opt-out request; State Department of Motor Vehicle offices; commercial information brokers/vendors (to obtain high-school and college directory information); the Selective Service System; the Defense Manpower Data Center; the United States Military Entrance Processing Command (for individuals who have taken the ASVAB test); and the Direct Marketing Association (for the National Do-Not Mail List).

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND PURPOSES OF SUCH USES:

In addition to those disclosures generally permitted under 5 U.S.C. 552a(b) of the Privacy Act of 1974, as amended, all or a portion of the records or information contained herein may specifically be disclosed outside the DoD as a routine use pursuant to 5 U.S.C. 552a(b)(3) as follows:

with other information, indicates a violation or potential violation of law, whether criminal, civil, or regulatory in nature.

C. To any component of the Department of Justice for the purpose of representing the DoD, or its components, officers, employees, or members in pending or potential litigation to which the record is pertinent.

D. F. To a Member of Congress or staff acting upon the Member's behalf when the Member or staff requests the information on behalf of, and at the request of, the individual who is the subject of the record.

K. To the Department of Homeland Security to support the development of advertising and market research targeted at prospective United States Coast Guard recruits.

POLICIES AND PRACTICES FOR STORAGE OF RECORDS:

ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

Access to information in the database is highly restricted and limited to those that require the records in the performance of their official duties. Personnel with access to the database have completed background security checks and have been provided Common Access Cards. The database complies with DoD cloud computing policy and procedural guidance as published. The database utilizes a layered approach of overlapping controls, monitoring, and authentication to ensure overall security of the data, network, and system resources. The use of information security continuous monitoring support the maintenance of ongoing awareness of information security, vulnerabilities, and threats to support organizational risk management decisions. Sophisticated physical security, perimeter security (firewall, intrusion prevention), access control, authentication, encryption, data transfer, and monitoring solutions prevent unauthorized access from internal and external sources. The following administrative controls are also applied to restrict access to those who require the data in the performance

of their official duties; periodic security audits; regular monitoring of users' security practices; methods to ensure only authorized personnel have access to personally identifiable information; encryption of backups containing sensitive data; and backup's secured offsite.

RECORD ACCESS PROCEDURES:

Individuals seeking access to their records should follow the procedures in 32 CFR part 310. Parents and guardians of minor children must follow the procedures in 32 CFR 310.3(d) to obtain access to records of the child. These procedures require the parent or legal guardian to establish: (1) The identity of the individual who is the subject of the record; (2) the parent/guardian's own identity; (3) that the requester is the parent or guardian of that individual, which may be proven by providing a copy of the individual's birth certificate showing parentage or a court order establishing the guardianship; and (4) that the parent or guardian is acting on behalf of the individual in making the request. Individuals should address written inquiries to the Office of the Secretary of Defense/Joint Staff, Freedom of Information Act Requester Service Center, Office of Freedom of Information, 1155 Defense Pentagon, Washington, DC 20301-1155.
