**Abstract of Proposed Collection**

The DS–2031 form is necessary to document imports of shrimp and products from shrimp pursuant to the State Department's implementation of Section 609 of Public Law 101–162, which prohibits the entry into the United States of shrimp harvested in ways which are harmful to sea turtles. Respondents are exporters of shrimp and products from shrimp and government officials in countries that export shrimp and products from shrimp to the United States. The importer is required to present the DS–

2031 form at the port of entry into the United States, to retain the DS–2031 form for a period of three years subsequent to entry, and during that time to make the DS–2031 form available to U.S. Customs and Border Protection or the Department of State upon request.

**Methodology**

The DS–2031 form is completed by the exporter, the importer, and under certain conditions a government official of the harvesting country. The DS–2031 form accompanies shipments of shrimp and shrimp product to the United States and is to be made available to U.S. Customs and Border Protection at the time of entry and for three years after entry.

[Docket No. AB 578X]

**Austin Area Terminal Railroad, Inc.—Discontinuance of Service Exemption—In Bastrop, Burnet, Lee, Llano, Travis, and Williamson Counties, Texas**

On December 30, 2022, the Board, by decision of the Director of the Office of Proceedings (Director), rejected the verified notice of exemption filed by Austin Area Terminal Railroad, Inc. (AATR) to discontinue service over an approximately 162-mile line in Texas because the required certification concerning the absence of local traffic on the line was deficient. AATR appealed that decision. For the reasons discussed below, the Board will deny the appeal. Nevertheless, the Board will grant on its own motion an exemption under 49 U.S.C. 10502 from the prior approval requirements of 49 U.S.C. 10903 permitting AATR to discontinue common carrier rail service over the line.

**Background**

On November 30, 2022, AATR filed a verified notice of exemption under 49 CFR 1152.50 to discontinue common carrier rail service over approximately 162 miles of rail line owned by Capital Metropolitan Transportation Authority, located between milepost AUNW–MP 0.0 (SPT–MP 57.00), west of Giddings, and milepost AUNW–MP 154.07 (SPT–MP 99.04), at Llano, including the Marble Falls Branch (6.43 miles), the Scobee Spur (3.3 miles), and the Burnet Spur (0.93 miles) in Bastrop, Burnet, Lee, Llano, Travis, and Williamson Counties, Tex. (the Lines).

According to AATR, it received Board authority to provide common carrier service over the Lines in 2002, replacing its parent company, Trans-Global Solutions Inc., as operator. *See Austin Area Terminal R.R.—Change in Operators Exemption—Trans-Glob. Sols., Inc.*, FD 33972 (STB served Dec. 20, 2000); *see also Trans-Glob. Sols., Inc.—Operation Exemption—Cap. Metro. Transp. Auth.*, FD 33860 (STB served Apr. 4, 2000). AATR's verified notice states, however, that it has not operated over the Lines in many years and that the Lines are presently operated by Austin Western Railroad, L.L.C. (AWRR), a rail carrier unaffiliated with AATR. (Verified Notice 1–2.)<sup>1</sup>

On December 30, 2022, the Director rejected the notice, noting that, under 49
